

## TUITION RATES

Tuition does not cover the full cost of operating Escondido Adventist Academy. Members of the Seventh-day Adventist Church support Adventist education with substantial church and conference subsidies. Therefore, students and/or families who are members of the Seventh-day Adventist Church are charged the SDA subsidized rate.

## TUITION BILLING PROCEDURES

For your convenience, the annual tuition charge is divided into ten installments and billed August through May. The monthly installment plan is designed to help parents spread the cost of tuition over ten months and does not signify the cost of education per month. No refunds will be made for a partial month upon a student's withdrawal. A monthly statement will be emailed to the responsible party on the first day of the month. Parents may access their Tuition and Fees account through ParentWeb at anytime and use PayNow to pay their bill.

**Tuition is due on the 10<sup>th</sup> of each month. A late fee of \$10.00 per month per student will be charged and family discounts will be forfeited if payment is not in the office by the 25<sup>th</sup> of each month.** A history of checks returned for insufficient funds may result in a request that payments be made in cash or money order.

## DELINQUENT ACCOUNTS

No account will be allowed to be more than sixty days past due. The student will be placed on economic suspension if the account is not cleared. Students with past due accounts may not be allowed to take exams. Participation in extracurricular activities involving additional costs may be curtailed until the account is paid in full or satisfactory arrangements made. Any exceptions to this policy must be approved by the school Finance Committee or its designee. Students graduating from 8<sup>th</sup> or 12<sup>th</sup> grade will not be allowed to take final exams, participate in graduation, or receive a diploma unless the account is paid in full.

## FAMILY DISCOUNT

A 2% discount is given for families with two children. A 4% discount is given for families with three children. The family discount is reflected in the tuition schedule.
