

# SMALL BEGINNINGS

## St. Paul the Apostle Daycare Program

St. Paul the Apostle Catholic School is pleased to offer Small Beginnings, a daycare component for our preschool children. Children must be at least three years old, enrolled in our preschool, and potty-trained to participate in our day care program.

We truly believe Small Beginnings is much more than a daycare. We strive to provide a nurturing environment rich in age appropriate activities meeting the needs of each student academically, socially, and emotionally. A nutritious morning snack, lunch, and afternoon snack will be provided for your child. Students will have a quiet rest time during the day. This will give the students an opportunity to rest their body and minds to have a successful afternoon. We welcome full-time and part time students with consistent schedules.

The program is housed in the same building as the preschool programs, and is a quality environment that enhances the child's development. St. Paul's daycare is under the direction of Mrs. Julie Morrison, and is licensed through the State of Iowa's Department of Human Services. Children enrolled in daycare will attend their preschool classes as scheduled and then go to daycare (or start in daycare and go to preschool).

Hours of Operation: 7:00 AM - 5:30 PM Monday thru Friday

The daycare will be closed on all days that school is not in session.

Spring break and summer hours may be available depending on interest.

The cost of the daycare is adjusted depending upon which preschool program your child is enrolled in.

3 year old daycare \$182/week

4 year old daycare \$158/week

Pre-Kindergarten daycare \$154/week
