Whitehouse ISD School Board Meeting Summary October 17, 2016

The Board of Trustees held a regular public meeting.

The WISD board discussed the following items:

- The Board recognized Whitehouse ISD Principals for their hard work and contribution to their campuses.
- No one signed up to speak during open forum.
- Action Items included, but are not limited to:
 - Consent Items that involved approving Board Meeting Minutes, monthly financial reports, quarterly investment reports, acceptance of donations, campus improvement plans, out-of-state trips for Culinary Art Students, High School Choir Students, and High School Cheerleaders.
- Information items included, but are not limited to:
 - New Hires, resignations/terminations, and retirements
 - Information on Board Training Opportunities
 - Seasonal Flu Vaccinations
 - Come and Go Question and Answer – Bond 2016
 - scheduled for October 20, 2016 at the Junior High Cafeteria
 - Curriculum Audit Update
 - Dr. Bass presented an update on the completion of the curriculum audit. The results should be delivered by late December/early January. This is not an audit to see where the District is doing well, but where the District could improve.
- Reports from the Superintendent included, but are not limited to:
 - An update on the selection of Construction Manager-at-Risk
 - Step one has been completed. The job has been posted and two companies have responded. After the deadline has been reached, the District will complete the process of picking a company to hire for construction.
