Advanced Placement Program (AP) Information

Offers credit for AP Exams: Yes
Offers placement into higher-level courses for AP Exams: Yes
From the college: In general, a student scoring 4 or 5 on AP exams will be awarded advanced placement units. A score of 3 (4 in Latin) is only used in foreign languages for placement out of the University core requirement in language. For all AP units, students do not earn actual credit toward graduation, rather, they fulfill corresponding requirements in the Core Curriculum. Students who have taken multiple AP examinations and have earned the equivalent of 8 or more Boston College courses may apply for advanced standing. If approved, AP units would then be converted to credit, the credits would be applied to their transcript, and students would then graduate one year early.
