PS

First Day of School Tip: Park at Highlands Park and "walk to school"

Parents,

In all seriousness, this is the best school tip of the year. We have always been a bit short of space in our parking lot during arrival and dismissal times, but this year we have the addition of the LEAP preschool staff and parents on Heather's campus. The teachers and I are asking you to truly consider parking off site and "walking to school" if you are able. We have several teachers with young families of their own to get to either childcare or to their own schools and are not able to arrive at Heather before all of the parking spaces are taken. I know you all want them in class when school starts! Thank you in advance for your consideration.

We are ready to start school tomorrow morning. Teachers have been busy for the last few days readying their classrooms. Our MUR was just barely finished in the nick of time-- we are so excited to show it off. Unfortunately, due to construction just ending this week, our exterior campus is not quite in the prime condition we would hope to start school. Please be patient with us as we finish putting things away that were removed from the MUR. There has been quite a lot of facility work across the district, including the building new CMS campus. This has put a tremendous amount of work on our maintenance and custodial resources, so again, I ask for your patience and understanding as we get our campus put back together in the next few days. We are always so grateful to our wonderful parent community for all of their help and support!

We'll see you tomorrow morning. Come join me in our new **MUR for our First Day Coffee at 8:25 am.**

Thanks again,

Pam Jasso
Principal
