Parent /Guardian Commitment

As a parent/guardian of a child attending Meridian School, I acknowledge the Meridian School mission/vision and values, and commit to conduct myself in a manner which promotes them.

I commit to strive to model, teach and reinforce the values inherent in the IB Learner Profile.

As a parent or guardian, I recognize that I impact the quality of my child’s educational experience at Meridian School, and as a result, I further agree to the following:

• I will support my child in all attendance policies.

• I will support my child in all academic policies

• I will communicate respectfully and thoughtfully with faculty and staff.

• I will take every available opportunity as a partner with my child’s teachers to reinforce to my child the importance of the commitments he/she has made above, and do all I can to make sure those commitments are honored.

I am making a commitment not only to my child and my child’s future, but also to myself, my child’s teachers, all other Meridian School students and their parents.

I understand that my failure to adhere to these commitments will negatively impact my child and the entire Meridian School community and can cause my child to lose privileges, including the privilege of attending Meridian School.
