1.4.1: Article 2: Grievance Procedure

1.4.2: Article 11: Salaries

\* includes regular contracted employees who teach summer school, adult education, driver training, etc.

\*\* “full-time” for representation purposes shall be twenty-five (25) hours per week.

**ARTICLE 2  
GRIEVANCE PROCEDURE**

2.1: ***Purpose***

- 2.1.1: This grievance procedure shall be used to process and resolve grievances arising under this Agreement.
- 2.1.2: The purpose of this procedure is to provide an orderly procedure for reviewing and resolving grievances promptly.
- 2.1.3: Nothing contained herein shall be construed as limiting the right of any unit member having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, as long as the adjustment is reached prior to arbitration, provided that the adjustment is not inconsistent with the terms of this Agreement and that the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response. Such response shall be filed within ten (10) days of receipt of the adjustment.

2.2: ***Definitions***

- 2.2.1: A “grievance” is an alleged violation, misinterpretation or misapplication of the express terms of this Agreement, which directly and adversely affects the grievant. Actions to challenge or change the terms of this Agreement shall not be considered a grievance. Matters for which a specific method of review is provided by law or by the terms of this Agreement are not within the scope of this procedure.
- 2.2.2: A “grievant” is a member or members of the unit who is/are aggrieved.
- 2.2.3: The Association may be the grievant concerning: (1) grievances which affect the Association as an organization, such as those involving agency fee, recognition, and the association leave; (2) grievances which affect the entire bargaining unit or a significant portion thereof, such as those related to class size, safety, health and welfare benefits, salary, calendar, and grievance procedure; and (3) other grievances in which there does not exist a “grievant” as defined by Article 2.2.2.
- 2.2.4: The “immediate supervisor” means the administrator who assigns, reviews and directs the work of the grievant.
- 2.2.5: A “day” is any day in which the District office is open for business.

2.3: ***Time Limits***

- 2.3.1: Each party involved in a grievance shall act quickly so that the grievance may be resolved promptly. Every reasonable effort should be made to complete action within the time limits contained in the grievance procedure, but, with the written consent of both parties, the time limitation for any step may be extended.
- 2.3.2: In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in substantial harm to an aggrieved person, the time limits set forth herein shall be reduced so that the procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

2.4: ***Informal Discussion***

Initially, the potential grievant shall meet with his/her immediate supervisor/principal and attempt to resolve the issues involved in a potential grievance. The grievant may have representation in the informal discussion.

2.5: ***Level I***

- 2.5.1: If the informal discussion does not resolve the issues to the satisfaction of the grievant, a formal grievance may be initiated. A formal grievance shall be initiated no later than ten (10) days after the grievant knew, or with the use of reasonable diligence should have known, of the event or circumstances occasioning the grievance. The grievant shall be entitled to a conference.
- 2.5.2: A formal grievance shall be initiated, in writing, on the Grievance Form (Exhibit C1) and shall be filed with the immediate supervisor/principal. The grievance shall be a clear concise statement, citing specific sections of the Agreement violated, misinterpreted or misapplied, the circumstances involved, and the specific remedy sought.
- 2.5.3: Within ten (10) days after the filing of the formal grievance, the immediate supervisor/principal shall investigate the grievance and give his/her decision in writing, to the grievant.

2.6: ***Level II***

- 2.6.1: If the grievant is not satisfied with the decision rendered at Level I, or if no written decision has been rendered within the ten (10) days, he/she may appeal the decision on the Appeal Form (Exhibit C2) within ten (10) days to the Superintendent or his/her designee.
- 2.6.2: The appeal shall include a copy of the original grievance, the decision rendered at Level I, the name of the grievant's conferee(s), if any, and a clear, concise statement of the reasons for the appeal.
- 2.6.3: Within ten (10) days, the Superintendent or his/her designee shall investigate the grievance and give his/her decision, in writing, to the grievant.

2.7: ***Level III***

- 2.7.1: If the grievant is not satisfied with the decision rendered pursuant to Level II, he/she may submit to the Association a request to pursue arbitration. The Association may submit the request within ten (10) days to the Superintendent.
- 2.7.2: The American Arbitration Association rules shall apply with respect to selecting an arbitrator.
- 2.7.3: The fees and expenses of the arbitrator and a court reporter, if required by the arbitrator, shall be shared equally. Any additional expenses shall be borne by the party incurring such expenses.
- 2.7.4: The rules of the American Arbitration Association shall govern the arbitration. The arbitrator shall have no authority to add to, delete, or alter any provisions of this Agreement but shall limit his/her decision to the application and interpretation of its provisions.
- 2.7.5: The decisions of the arbitrator shall be final and binding upon the parties to this Agreement.

2.8: ***Miscellaneous***

- 2.8.1: ***Records.*** All records of the proceedings shall be retained by the Human Resources Division in a separate grievance file.
- 2.8.2: ***Reprisals.*** No reprisals shall be taken by or against any participant in a grievance procedure by reason of such participation.
- 2.8.3: ***Pay.*** A unit member and his/her conferees (limit of two [2]) shall not suffer any loss of pay while appearing at the arbitration hearing. The Informal Discussion,

Level I and Level II of the grievance procedure should occur prior to or after normal teaching duties.

- 2.8.4: **Time Limitation.** Failure to appeal a decision within the specified limits shall be deemed an acceptance of the decision.
- 2.8.5: **Board Information.** The Board of Trustees shall be informed by the administration regarding grievances being processed at all levels. Such information does not necessarily need to name the individual who filed the grievance.
- 2.8.6: **Multiple Grievants.** When the same grievance is filed by two (2) or more individuals, the Association shall be responsible for processing the grievance with no more than two (2) such grievants being provided release time for processing such common grievance. This procedure shall not supersede an individual grievant's right to process a grievance without association intervention as set out in paragraph 2.1.3 above.
- 2.8.7: **Mutual Resolution.** If a mutually accepted resolution of a grievance is reached informally at any level, the resolution shall be reduced to writing and binding upon both parties.
- 2.8.8: **Confidentiality.** All documents, communications, and records dealing with the processing of a grievance shall be considered confidential.
- 2.8.9: **Representation.** Not more than two (2) conferees for each party may be present at the Informal Discussion, Levels I, II and III.
- 2.8.10: **Continuance of Service.** The grievant shall continue to discharge his/her duties and comply with the direction of the administration until the grievance is resolved.
- 2.8.11: **Failure to Individually Grieve.** The right to grieve contract violations which affect only one or a few individuals when the individual(s) are unwilling to be grievant(s), will not establish a waiver or practice binding on other unit members by failures to grieve in such cases.
- 2.8.12: **Expedited Process of End-of-Year Involuntary Transfers.** In order to facilitate resolution of a grievance concerning an end-of-the-year involuntary transfer, the time limits and procedure shall be expedited as follows:
  - 2.8.12.1: The grievance shall be filed at Level I within five (5) working days of notification of the transfer.
  - 2.8.12.2: The immediate supervisor/principal shall respond in writing within

five (5) working days.

- 2.8.12.3: If the grievant is not satisfied with the decision at Level I, or if no written decision has been rendered within five (5) working days, he/she may appeal the decision to the Superintendent within five (5) working days.
- 2.8.12.4: The Superintendent shall give his/her decision in writing to the grievant within five (5) working days.
- 2.8.12.5: If the grievant is not satisfied with the response of the Superintendent or his/her designee, he/she may submit to the Association a request to pursue Expedited Arbitration.
- 2.8.12.6: The Association may submit the request within ten (10) working days to the Superintendent or his/her designee, commencing from the time of the response of the Superintendent or his/her designee.
- 2.8.12.7: The District and the Association agree to use the American Arbitration Association's Expedited Labor Arbitration Procedures.
- 2.8.12.8: A hearing shall be scheduled and held within fourteen (14) calendar days of receipt of the Association's request and the arbitrator shall render his/her decision within seven (7) calendar days of the hearing.

**ARTICLE 3**  
**PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS**

3.1: ***Dues***

Any teacher who is a member of the Association, or who has applied for membership, may sign and deliver to the District an assignment authorizing deduction of unified membership dues, initiation fees and general assessments in the Association. Pursuant to such authorization, the District shall deduct one-tenth of such dues from the regular salary check of the teacher each month for ten months. Deductions for teachers who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year.

3.2: ***Agency Fee***

Any teacher who is not a member of the Association or who does not make application for membership at the effective date of this Agreement or within thirty (30) days from the date of commencement of teaching duties shall, as a condition of continued employment, become a member of the Association or pay to the Association a fee in an amount equal to unified membership dues, initiation fees and general assessments, payable to the Association; however, the teacher may authorize payroll deduction for such fee in the same manner as provided in paragraph 3.1 of this Article. In the event that a teacher shall not pay such fee directly to the Association or authorize payment through payroll deductions, as provided in paragraph 3.1, the Association shall so inform the District, and the District shall immediately begin automatic payroll deductions as provided in Education Code Section 45061 and in the same manner as set forth in paragraph 3.1 of this Article. There shall be no charge to the Association for such mandatory agency fee deduction.

3.3: ***Religious Beliefs***

3.3.1: Any unit member who is a member of a religious body whose traditional tenets or teaching include objections to joining or financially supporting employee organizations shall not be required to join or financially support the Association as a condition of employment; except that such employee shall pay, in lieu of a service fee, sums equal to such service fee to one (1) of the following non-religious, non-labor organizations, charitable funds exempt from taxation under Section 501/c(3) of Title 26 of the Internal Revenue Code:

- United Fund
- American Cancer Society
- American Heart Association
- Amador Valley Scholarship Fund
- Tom Hart Memorial Fund

- Martin Luther King Scholarship Fund
- F.F.A. Amador Chapter
- A charity, as defined above, of the unit member's choice

Such payment shall be made on or before October 15 of each school year.

3.3.2: Proof of payment pursuant to paragraph 3.3.1 above shall be made on an annual basis to the District as a condition of continued exemption from the provisions of paragraphs 3.1 and 3.2 of this Article. Such proof shall be in the form of receipts and/or canceled checks indicating the amount paid, date of payment, and to whom payment in lieu of the service fee has been made. Such proof shall be presented on or before October 15 of each school year. The Association shall have the right of inspection in order to review said proof of payment.

3.3.3: Any unit member making payments as set forth in paragraphs 3.3.1 and 3.3.2 above, and who requests that the grievance or arbitration provisions of this Agreement be used in his or her behalf, shall be responsible for paying the reasonable cost of using said grievance or arbitration procedures.

3.4: ***District Responsibilities***

With respect to all sums deducted by the District pursuant to authorization of the unit member, whether for membership dues or equivalent fees, the District agrees promptly to remit such monies to the Association together with an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership or non-membership in the Association, and indicating any changes in personnel from the list previously furnished.

3.5: ***Association Responsibilities***

The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.

3.6: ***Indemnification and Hold Harmless***

3.6.1: The Association agrees to pay to the District all reasonable legal fees and legal costs incurred by the District in defending against any court action and/or administrative action before the Public Employment Relations Board challenging the legality or constitutionality of the agency fee provisions of this Agreement or their implementation. The Association agrees that payments under this provision shall be made on a semi-annual basis.

3.6.2: The Association agrees to indemnify and hold the District harmless from any award or judgment which may result from a court action or administrative action referenced in paragraph 3.6.1. above.

3.6.3: The Association shall have the exclusive right to decide and determine whether any such action or proceeding referred to in paragraph 3.6.1 or 3.6.2 shall or shall not be compromised, resisted, defended, tried or appealed.

**ARTICLE 4  
HOURS OF EMPLOYMENT**

4.1: ***Grades K-12***

4.1.1: A school is comprised of a team of certificated professionals working toward the educational excellence of all students who attend the school. The principal, with the input of the bargaining unit members assigned to the school, determines the needs of the school. The principal shall determine the schedule and make necessary assignments of schedules and supervision duties which will ensure the safety of students attending the school. The duty day of all bargaining unit members shall include as much time as is necessary to fulfill professional duties to facilitate the educational program. Duties shall be assigned on an equitable basis. A regular classroom teacher in grades nine (9) to twelve (12) shall be assigned supervision duty only as provided in section 4.2.3. This provision (4.1.1) shall not apply to voluntary activities.

4.1.1.1: The portion of the teacher work day assigned to in-classroom student contact shall not exceed:

Preschool SDC	1400 minutes per week
kindergarten	280 minutes per day
grades 1- 5	1445 minutes per week
grades 6-8	1400 minutes per week
grades 9-12	285 minutes per day

4.1.1.2: In a middle school, at grades six (6) through eight (8), the teaching day consists of six (6) teaching periods and a daily preparation period. Preparation periods shall be of the same duration as a teaching period. For full-time teachers, periods shall be contiguous. This does not prevent a teacher from voluntarily teaching a discontinuous schedule. Each teaching period shall be sixteen point six-seven percent (16.67%) of an FTE (not greater than 1.0).

4.1.1.3: In grades nine (9) through twelve (12), the teaching day consists of five (5) teaching periods and a preparation period. Preparation periods shall be of the same duration as a teaching period. The preparation period is considered part of the teacher work day. For full-time teachers, periods shall be contiguous. This does not prevent a teacher from voluntarily teaching a discontinuous schedule.

4.1.1.4: Continuation High School. The structure of the full-time teaching

day in the continuation high school shall be five (5) regular teaching periods; one (1) preparation period of the same duration as a teaching period; and a duty-free lunch period as per Education Code.

The total student/teacher contact time shall be two hundred eighty-three (283) minutes. Each teacher in a continuation high school shall devote any remaining instructional minutes (i.e. those beyond the regular teaching periods) to meeting the needs of students enrolled in the program.

- 4.1.1.5: The configurations set forth in 4.1.1.2, 4.1.1.3, and 4.1.1.4 may be altered, on a pilot basis, if a group of teachers at a school recommend a change to the principal and the Association in writing and both parties approve such a change.
- 4.1.2: Unit members shall be entitled to a duty-free lunch period of not less than thirty (30) consecutive minutes per day.
- 4.1.3: During a five (5) day work week (prorated for less than a full week), regular full-time classroom teachers employed in:
  - 4.1.3.1: Grades one (1) through three (3) shall have one hundred eighty (180) preparation minutes.
  - 4.1.3.2: Grades four (4) through five (5) shall have two hundred twenty-five (225) preparation minutes.
  - 4.1.3.3: SDC teachers, at grades one (1) through five (5), will receive one hundred eighty (180) preparation minutes per week unless providing the preparation minutes causes the District to be in non-compliance with any IEP or credentialing/training requirement.
  - 4.1.3.4: A configuration of the above preparation time shall be approved by the affected school staff and the school principal. The configuration shall be submitted to the Human Resources Department for final approval in the case of a split-site Elementary Preparation Specialist.
  - 4.1.3.5: A preparation period may be scheduled by the District for IEP and for Student Study Team meetings.
- 4.1.4: All members of the bargaining unit will be given a forty-eight (48) hour notice preceding faculty meetings, except for meetings necessitated by emergency situations. With the exception of emergency faculty meetings, and meetings

during collaboration time (see 4.3.4), all other meetings may be attended on a voluntary basis by members of the bargaining unit. All members shall assume personal responsibility for all items covered at all meetings.

4.1.4.1: Meetings mandated by statute or regulation (e.g. IEP, SST, PQR, WASC) must be attended by the affected bargaining unit member. Back-to-school nights, open houses and parent conferences (on a before or after-school basis, or at a time mutually agreeable between the parents and the unit member) are to be attended by all bargaining unit members. The intent of the parties, however, is that IEP, 504 and SST meetings not be scheduled on Back-to-School Nights or Open Houses. The parties acknowledge, however, that meetings may be held on these dates to ensure compliance with legal requirements.

4.1.4.1.1: A key component of each unit member's job involves effective communication with parents and students. Historically, conference days were utilized for this purpose at grades K-12. Except at grades K-5, where conference days shall continue to be utilized, the use of e-mail, voice mail, and other electronic devices is encouraged as an effective alternative. To be effective, inquiries should be responded to within one (1) work day. Absent unusual circumstances, inquiries shall be responded to within forty-eight (48) hours (excluding weekends and holidays).

4.1.4.1.2: ***Conference Day / Work Day.***

One (1) day (typically Friday) of the elementary conference week may be used for any combination of conference or workday. If a teacher has conferenced outside normal student hours (e.g. before/after normal student contact time, night conferences, etc.), that teacher will not be required to work longer than a student minimum day on the designated day.

4.1.4.2: If scheduled, the configuration of school-wide parent conferences shall be determined by a majority vote of the school faculty.

4.1.4.3: If attendance at faculty meetings of any school falls below seventy-five percent (75%) for three (3) consecutive meetings, the principal may schedule a meeting with the Association Building Representative, and other interested persons to determine the

reasons for the low attendance and develop suggestions for improving attendance.

- 4.1.5: Should a grade one (1) to five (5) unit member be scheduled for two or more preparation periods on Veterans' Day, Martin Luther King Day, Washington Day, Lincoln Day, Labor Day or Memorial Day, the district shall reschedule one of the preparation periods to an alternate mutually-agreed-to-date, if requested by the teacher.
- 4.1.6: The work day for counselors and Work Experience coordinators shall be flexible as determined by the principal, but shall not be more than that required of classroom teachers. It may, however, be discontinuous.
- 4.1.7: Playground supervision for part time unit members shall be pro-rated.
- 4.1.8: Kindergarten teachers shall be assigned to assist in Grades K-5 after the completion of a less than full day kindergarten class.
- 4.1.9: A full time assignment for an "Elementary Specialist" is thirty-one (31) student contact sections of forty-five (45) minutes each (not to exceed one thousand three hundred ninety-five [1395] weekly student contact minutes).
  - 4.1.9.1 If requested by the District, a full-time Elementary Specialist may volunteer to teach more than one hundred percent (100%). For each such section, the District shall pay an additional three point two percent (3.2%) of the unit member's placement on the salary schedule.
  - 4.1.9.2 If a full-time Elementary Specialist is assigned to more than one (1) school site on one (1) or more single days, then thirty (30) sections shall be considered a full-time assignment for that Specialist.

4.2: ***Grades 9-12***

- 4.2.1: The parties agree that each site administrator shall establish a bell schedule which will ensure that sufficient instructional minutes are taught to qualify for longer instructional day monies. The target number of annual minutes shall be sixty-four thousand eight hundred (64,800), or as close thereto as reasonable. If required, revisions may be made during the course of a school year to ensure sixty-four thousand eight hundred (64,800) instructional minutes.
- 4.2.2: No unit member shall be required to perform assignments on a normal day off.

- 4.2.3: Co-curricular assignments will be equitably assigned by the site administrator according to the needs of the school. The District shall define the co-curricular assignments at each school. Each teacher shall be expected to volunteer for up to three (3) co-curricular assignments per school year. While any co-curricular assignments beyond the three (3) will entitle the unit member to be compensated at the certificated hourly rate, nothing shall preclude a unit member from volunteering without compensation. Every effort will be made to be consistent at all sites. Co-curricular assignments at all sites will be compared at the beginning of each semester to establish equality and consistency.
- 4.2.3.1: At the beginning of each semester, a calendar of activities, and the number of people required to cover the activities, will be distributed to the faculty by the administrator responsible for supervision assignments. Attached will be a list of the staff for the school site in question in seniority order. Staff members who will receive assignments first semester will be determined by counting from the least senior person up the seniority list until the number needed for assignments is obtained.
- 4.2.3.2: Those faculty members who will receive assignments will indicate three (3) choices in order of preference on the calendar and will return the calendar within the time frame determined by the principal. If the calendar is not returned, then the staff member's name shall be listed in seniority order and assigned chronologically to unfilled assignments.
- 4.2.3.3: Assignments for each activity will be given on the basis of preference beginning with the most senior member in the group.
- 4.2.3.4: In the event that there are more assignments than staff members, the entire staff will receive assignments based on preference in seniority order and then the procedure in paragraphs 4.2.3.1 to 4.2.3.3 above will be used for the remainder of the assignments.
- 4.2.3.5: At spring semester, a second assignment group will be determined by beginning with the least senior staff member not receiving an assignment during the fall semester. When the top of the seniority list is reached, the remaining assignments will be filled by the same procedure used during the first semester.
- 4.2.3.6: If a staff member's preference cannot be accommodated for the third assignment, he/she will be listed in seniority order and assigned chronologically.

4.2.3.7: The following fall semester, the procedures for supervision will begin again as outlined in paragraphs 4.2.3.1 to 4.2.3.6 above.

### **4.3**                    ***Collaboration Time***

4.3.1: The parties have agreed to establish a common District-wide collaboration time.

4.3.1.1: Collaboration time shall occur on a fixed day each week.

4.3.1.2: Collaboration time shall be forty-five (45) minutes in duration and shall precede student attendance.

4.3.2: A Collaboration Council will be established at each site.

4.3.2.1: The Collaboration Council will be composed of the site administrator and any/all interested teachers.

4.3.2.2: The Collaboration Council will determine agendas and content for the collaboration time.

4.3.2.3: The Collaboration Council will meet every four (4) to six (6) weeks.

4.3.3: The following general provisions shall apply to collaboration time:

4.3.3.1: Teachers who are less than a 1.0 FTE, and whose teaching time/periods are discontinuous with collaboration time, are strongly encouraged to attend the collaboration time but are not required to do so.

4.3.3.2: Collaboration time shall not be scheduled during finals week at a high school.

4.3.3.3: The Association and the District will meet at least two (2) times during each school year to gather feedback for the purpose of assessing and improving collaboration time.

4.3.4: Elementary Faculty Meetings: One (1) collaboration day in each month may be used for a mandatory faculty meeting (if required as determined by school administration).

4.4: ***Problem Solving***

- 4.4.1: At times, questions may arise regarding the application of various provisions (e.g. elementary duty schedules, breaks, special education consultation period) related to Article 4. In such instances, one (1) or more representative(s) designated by the Association will contact the supervisor of the site where the question(s) arises. The representative will meet and discuss the issue with the supervisor, and working together, will develop a solution.
- 4.4.2: If resolution cannot be effected, the Association representative will notify the Assistant Superintendent of Human Resources, who will facilitate meeting(s) with appropriate Association and District personnel in order to bring resolution to the issue.
- 4.4.3: If the issue cannot be resolved in a mutually satisfactory manner, Article 2 of this Agreement will be implemented. This provision shall not make an issue grievable unless it otherwise meets the definition of a grievance (paragraph 2.2.1). Provided the informal discussion is initiated within ten (10) days after the grievant knew or with the use of reasonable diligence should have known of the event or circumstance occasioning the grievance, all other grievance time lines shall be placed in abeyance until it has been determined that no resolution can be reached.

4.5: ***District-Mandated Facility Change***

A unit member impacted by a District-mandated facility change (e.g. moves to a new or remodeled classroom(s), or loss of a classroom because of flooding, fire, mold, or other acts of nature or vandalism) shall receive the certificated hourly rate of pay for classroom set up.

- 4.5.1: The unit member must receive prior written approval from their immediate supervisor or compensation will not be paid. The dates and times of the proposed move must be set forth in the request and are subject to administrative approval.
- 4.5.2: Payment will be made only for time that is outside a normal teacher work day.
- 4.5.3: Up to eight (8) hours may be compensated for each approved move.

**ARTICLE 5**  
**SAFETY CONDITIONS**

- 5.1: Each unit member shall, upon request, be provided a lockable space within the vicinity of the teaching station for storage of necessary personal belongings. Classroom materials may be placed in lockable areas available at each school.
- 5.2: The District shall provide safe working conditions. All alleged violations of safe working conditions shall be reported to the unit member's immediate supervisor. If the situation has not been resolved within a reasonable period of time, the unit member may submit such alleged violations to an appropriate administrative agency.
- 5.3: No unit member shall be disciplined or discharged by the District for refusing to perform fully all of his/her duties under known extraordinary dangerous and hazardous conditions not normally associated with duties of teaching personnel.
- 5.4: Unit members are encouraged to submit work orders to the site administrator for his/her approval to correct unsafe work conditions.
- 5.5: The District shall make efforts to provide information for unit members who have students with special health needs in their classroom.
- 5.6: Provisions of Education Code 44014 shall apply in the event a member of the bargaining unit is assaulted. The District shall comply with any reasonable request from the unit member for information in the possession of the District relating to the incident or the persons involved.
- 5.7: The District will notify a teacher as soon as possible whenever a student with severe behavior or acute health problems is enrolled in his/her classroom.

**ARTICLE 6  
LEAVES OF ABSENCE**

6.1: *Leaves of Absence - General*

6.1.1: All leaves of absence, except those that are mandatory, are granted at the discretion of the Board of Trustees. Requests shall be submitted in writing to the Human Resources Division giving specific dates and reasons. In general, the unit member's principal or immediate supervisor shall recommend approval or disapproval of all leaves of absence prior to submission to the Human Resources Division. All requests shall be on appropriate forms.

6.1.2: No leave of absence approved by the Board of Trustees (by way of illustration and not limitation, this includes sick leave [section 6.2], personal necessity [section 6.6], pregnancy disability leave [section 6.11.1], workers comp, child rearing [section 6.12], etc.) shall constitute an interruption in the continuity of service for the purpose of:

- qualifying the unit member for permanent classification;
- advancement on the salary schedule.

Provided, however, the unit member must actually render service to the District on not less than seventy-five percent (75%) of the teaching days of each school year in order to receive credit for the year.

6.1.2.1: The time span during which the leave of absence is taken shall not be computed in determining the amount of service rendered.

6.1.2.2: Solely for the purpose of advancement on the salary schedule, an employee may accumulate service (there is, however, no carry-over). For example, sixty percent (60%) service in Year 1 may be combined with sixty percent (60%) service in Year 2 to advance at the beginning of Year 3. The "extra" percentage is not carried over.

6.1.3: Upon return from any leave, the unit member shall be placed in a position pursuant to the terms of Article 7 as though he/she had never left provided he/she submits written notice of his/her intent to return by March 1 or, as in the case of a leave which does not terminate at the end of a school year, thirty (30) days prior to expiration of the leave. The District shall remind the unit member of this requirement by certified letter postmarked thirty (30) days in advance of the due date.

If a unit member does not provide the required notice, the unit member shall be placed in a position consistent with his/her credential and District needs which exist at the time they present themselves.

- 6.1.4: The District and members of the Board of Trustees are freed of any liability for payment of compensation or damages provided by law for death or injury of a unit member if the death or injury occurs while the unit member is on leave of absence granted by the Board.
- 6.1.5: Unless otherwise specified, leaves are granted for a maximum of one (1) year at a time. Beginning and ending dates for those granted for less than one (1) year should coincide with the length of the grading period unless otherwise agreed to by the parties. They may be extended by the Board upon written request from the unit member.
- 6.1.6: When a leave is granted, the recipient has a professional obligation to the District to utilize the leave period for the purpose specified in the request. Except in the case of exchange teachers, leaves are not granted for the unit member to be employed elsewhere. If the recipient finds it essential to seek employment during a leave period, he/she shall communicate with the Assistant Superintendent, Human Resources, so that a decision may be made whether to approve such employment or to terminate the leave of absence. Such employment shall not be denied unless it conflicts with the purpose of the leave.
- 6.1.7: Employees on sabbatical, mandatory jury service (trial or inquest), leave for other teaching as specified, or military leave shall progress on the salary schedule as if they were on active service with the District.
- 6.1.8: Experience credit for out-of-District teaching while on leave of absence shall be granted when the unit member returns if the maximum credit provided by the salary schedule has not already been attained.
- 6.1.9: All leaves, except as specified in this Agreement, are without salary or benefits. With the approval of STRS, and health and welfare benefit carriers, a unit member on an approved leave of absence without pay may continue such benefits by employee contribution. Such payment may be arranged through the District.
- 6.1.10: Other unit members shall not be required to perform the duties of the unit member on leave without consenting to do so, except in cases of emergency.

6.2: ***Leaves of Absence for Illness or Injury***

6.2.1: Unit members regularly employed on a five (5) day per week basis shall receive, on the first day of July and on the first day of each July thereafter, the following days of leave for illness or injury:

<i>Service Days Per Year</i>	<i>Days of Leave for Illness/Injury</i>
up to 190	10
191 - 200	11

6.2.2: The leave shall accumulate without limit as long as the individual is employed in the District. Days granted an employee assigned less than full-time shall be in the proportion that the assignment bears to the assignment of a full-time teacher.

6.2.3: Any employee absent from duty because of personal illness or injury shall receive full compensation to the extent of his/her accumulated sick leave time. If the absence is in excess of the accumulated sick leave time and for the cause of illness or personal injury, the unit member shall receive for the period not to exceed one hundred (100) consecutive work days the difference between his/her regular salary and the established daily rate of pay for a substitute. In no case shall the unit member be deducted an amount in excess of his/her daily rate. Compensation for unit members who are absent in excess of one hundred (100) consecutive work days after exhaustion of accumulated sick leave shall be determined by the Board of Trustees on an individual basis upon recommendation of the Superintendent.

6.2.4: If a unit member utilizes sick leave for five (5) or more consecutive days, the unit member shall furnish, upon request, upon his/her return to duty a certificate verifying his/her illness or injury and his/her ability to return to service, this certificate having been signed by a licensed physician or practitioner of any well-recognized church or denomination.

6.2.5: There shall be no charge against a unit member's cumulative sick leave if, because of another's illness, he/she has been quarantined by city or county health officers. Under these circumstances all unit members shall receive their salaries in full.

6.2.6: A unit member who has transferred from another California school district may request the Human Resources Division to assist in transferring accumulated sick leave.

6.2.7: There are certain usage patterns which could indicate an inappropriate use of the sick leave provision.

When such a pattern exists, the Association shall be notified and the District will explore the cause and counsel the unit member if appropriate.

After counseling the unit member, the District may require that the unit member provide a certificate which has been signed by a licensed medical practitioner or a practitioner of any well-recognized church or denomination for all future absences due to illness or injury which are similar to the identified pattern and may pursue other remedies set forth in the education code.

- 6.2.8: If a unit member does not use any sick leave during the school year, he/she shall be allowed to add one (1) day to accrued sick leave or to take one (1) release day with pay to be scheduled the following school year, as mutually agreed to between the unit member and his/her immediate supervisor.

6.3: ***Extended Leave of Absence for Health***

- 6.3.1: Unit members may be granted a leave of absence without pay for not less than one (1) grading period or more than one (1) year. This leave may be extended one (1) additional year in the case of serious health conditions.

- 6.3.2: Unit members on leave at the time that the notice of intention to return to service is filed with the Human Resources Division shall also submit a written statement from a licensed physician certifying the condition of the unit member's health and his/her ability to return to full-time service.

6.4: ***Leave of Absence - Industrial Accident or Illness***

- 6.4.1: Unit members shall be eligible for leave of absence because of industrial accident or illness as acknowledged by the State of California Compensation Insurance Fund. Allowable leaves shall be for not less than sixty (60) service days in any one (1) fiscal year for the same accident and shall commence the first day of absence.
- 6.4.2: Industrial accident or illness leave shall not be accumulated from year to year. When the industrial accident or illness leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due him/her for the same illness or injury.
- 6.4.3: Unit members shall be paid such portion of the salary due them for any month in which absence occurs as, when added to the temporary disability indemnity under the California Labor Code, shall result in payment to them of not more than their full salaries.

- 6.4.4: A leave of absence under this provision shall be reduced by one (1) day for each day of authorized absence regardless of a temporary disability indemnity award to the unit member.
- 6.4.5: Upon termination of industrial accident leave, the unit member shall be entitled to accumulated sick leave benefits under “Leaves of Absence for Illness or Injury” provisions of this Agreement (section 6.2) with the provision that if the unit member continues to receive a temporary disability indemnity, he/she may elect to receive as much of his/her accumulated sick leave which when added to his/her temporary disability indemnity shall result in a payment to him/her of not more than his/her full salary. During any paid leave of absence, the unit member shall endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District in turn shall issue the appropriate salary warrants for payment of salary and shall deduct normal retirement and other authorized contributions. Unless travel outside of California is authorized by the Board of Trustees, unit members receiving benefits under this provision during periods of illness or injury shall remain in the State of California.
- 6.4.6: Unit members petitioning for leaves of absence under this provision are responsible for furnishing the Superintendent or his/her designee, upon his/her request, a statement signed by a licensed physician or practitioner verifying the nature of the injury or illness and the number of days of absence that shall be needed for the leave of absence. A second signed physician’s or practitioner’s statement may be required of the unit member upon request of the Superintendent at the end of the unit member’s leave of absence certifying that the unit member’s condition is satisfactory to warrant a return to service.

6.5: ***Bereavement Leave***

- 6.5.1: A death in the immediate family of a unit member shall entitle the said unit member to a leave of absence not to exceed three (3) days, or five (5) days if out-of-state travel is required. No deduction shall be made from the salary of such unit member. Immediate family shall include the following: mother, step-mother, mother-in-law, father, step-father, father-in-law, husband, wife, domestic partner (as defined by State law), son, step-son, son-in-law, daughter, step-daughter, daughter-in-law, brother, brother-in-law, step-brother, sister, sister-in-law, step-sister, grandparent, grandparent-in-law, legal guardian, foster children, grandchild of the unit member or spouse, aunt, uncle, or any person living in the immediate household of the unit member. Under special circumstances the Board of Trustees may grant additional bereavement leave.

6.6: ***Personal Necessity Leave***

- 6.6.1: Up to seven (7) days of leave per year may be used for reasons of personal necessity. The unit member may choose to charge the absence against accrued sick leave or to reimburse the District either for the cost of the substitute to the District in employing his/her substitute or, if no substitute is employed, the established substitute daily rate.
- 6.6.2: Such days shall be at the unit member's discretion and no reason need be given for the absence. The unit member shall, however, certify that the absence was not used for concerted activities of any nature, if they involve the District, whether association-related or not.
- 6.6.3: Days used on any of the work days set forth in paragraph 6.6.3.1 below, except for "hardship" and/or "religious observances," must be substitute deduct days (see paragraph 6.6.1). Advance notice to the supervisor is required. If the supervisor determines the leave to be hardship/religious observance, accrued sick leave taken as personal necessity leave may be used.
- 6.6.3.1: The following days are subject to the restriction in paragraph 6.6.3: first or last five (5) student instructional days of the school year; any days adjacent to the Thanksgiving recess; any days adjacent to any spring or winter recess periods.
- 6.6.3.2: If the supervisor denies the request, the unit member may appeal to the Assistant Superintendent, Human Resources. The reason for the appeal shall be to ensure District-wide consistency regarding the existence of a hardship/religious observance.
- 6.6.4: A unit member shall make every effort to notify the District, as early as possible, prior to using personal necessity leave.

6.7: ***Jury Duty and/or Work-Related Subpoena***

A unit member shall be entitled to leave without loss of pay for the time required for jury duty. The unit member shall reimburse to the District the amount of payment received for jury duty. Any meal, mileage, and/or parking allowance provided the unit member for jury duty shall not be considered in the amount received for jury duty.

Up to seven (7) days shall be allowed for appearance in court under a work-related subpoena with the approval of the Superintendent or his/her designee.

6.8: ***Leave of Absence for Attendance at Meetings, Conferences and on School Business***

- 6.8.1: Leave may be granted without loss of pay upon request of the unit member and recommendation of the Superintendent for attendance at distinctly professional meetings of educational groups at which the Superintendent and Board of Trustees decide that the District should be represented. Travel, per diem and other necessary expenses may be allowed for this purpose.
- 6.8.2: Leaves of absence to attend meetings or conventions of educational associations or societies, or to serve on committees or commissions of such organizations when the activities or purposes of the organization serve to advance the welfare of all schools through the upgrading and strengthening of the teaching profession, may be granted upon request of the unit member and the recommendation of the Superintendent or his/her designee, without loss of pay to the unit member. Travel and other necessary expenses may be allowed at the discretion of the Board of Trustees.
- 6.8.3: Upon request, a unit member may receive, in writing, the reason(s) why his/her request was not approved if the Board of Trustees does not honor the request.

6.9: ***Professional Leave***

- 6.9.1: Employees with permanent status may be granted a leave without pay at the discretion of the Board of Trustees for the following reasons:
- study, travel, consultancies or professional improvement other than activities qualifying under sabbatical leave (section 6.13), professional enrichment leave (section 6.15), exchange leave (section 6.17) or foundation grant leave (e.g. Fulbright);
  - overseas assignment other than exchange teaching;
  - Peace Corps or other similar public or private service.
- 6.9.2: The leave of absence shall be for a period not to exceed one (1) full year. If the leave is to be in excess of twenty-five percent (25%) of the teaching days scheduled for the school year, yearly increments in salary shall not be allowed. All conditions covering a professional leave shall be subject to approval by the Board of Trustees upon recommendation of the Superintendent.
- 6.9.3: Replacement of the unit member and the effects of the above leaves on the education of students shall be the primary criteria upon which approval or disapproval shall be based.
- 6.9.4: Upon request, a unit member may receive, in writing, the reason(s) why his/her request was not approved if the Board of Trustees does not honor the request.

6.9.5: If a unit member applies for overseas teaching, the Board of Trustees may grant a leave for two (2) or more years.

6.10: ***Release Time - Employee Association Officers***

Officers of the Association, or other members designated by the Association, shall be provided up to thirty (30) days release time each school year for the conduct of association business. The cost of substitutes shall be borne by the Association. However, if no substitute is used, there shall be no cost to the Association.

6.11: ***Maternity Leaves***

6.11.1: ***Pregnancy Disability Leave.*** Such leave shall be granted subject to the following conditions:

Unit members shall be entitled to utilize sick leave (temporary disability leave), including five-month differential pay for the period of time that they are temporarily disabled resulting from the unit member's pregnancy, miscarriage, childbirth and recovery therefrom.

The length of the leave of absence (temporary disability), including the date on which the leave shall commence and the date for which the unit member shall resume duties, shall be determined by the unit member and the unit member's physician. A letter verifying the length of the temporary disability shall be signed by the unit member and the unit member's physician and filed in the Human Resources Division.

The unit member shall notify the District of her pregnancy approximately ninety (90) days prior to the expected date of delivery.

The manner of reporting absence for a temporary disability resulting from pregnancy, miscarriage, childbirth, and recovery therefrom, shall be the same as the manner of reporting sick leave except as noted above.

6.11.2: ***Pregnancy-Related Leave.*** Leaves of absence for purposes related to pregnancy, (i.e. child care) which are in addition to sick leave granted for the temporary disability may be granted without pay in accordance with child-rearing leave (Article 6.12 below).

6.12: ***Child-Rearing Leave***

6.12.1: ***Sub-Deduct***

Upon request, the Board of Trustees shall grant a unit member who is a natural father, adopting parent, or any unit member with an infant under one (1) year of age, a leave with compensation not to exceed twenty-five (25) days.

- a. The unit member shall receive the difference between his/her salary and the amount paid to the substitute. The twenty-five (25) days are to be consecutive with the arrival date of the child.
- b. A unit member may also utilize the twenty-five (25) days referenced in 6.12.1 for activities associated with traveling to/from the area of adoption and finalizing the adoption.
  - (1) No more than twenty-five (25) days may be used in any school year for this purpose.
  - (2) The District may require documentation to support the leave.

6.12.2: ***Unpaid***

Upon request, the Board of Trustees shall provide a unit member who is a natural or adopting parent, leave with additional unpaid leave for the purpose of rearing his/her child.

6.12.2.1 The request for such leave shall be submitted at least sixty (60) days prior to the anticipated date on which the leave is to commence. The sixty (60) day notification will be waived in cases of adoption as long as the unit member has notified the District of his/her intent to adopt a child.

6.12.2.2 If requested, the leave shall be for either:

- Option One

The remainder of the school year in which the request is made (return at an earlier date may occur with prior written agreement of the unit member and the administrator); or

- Option Two

Option One plus the entirety of the school year following the year in which the request is made. If Option Two is initially selected, the unit member may rescind for the following school year provided written notice of rescission is given to the Human Resources Division not later than March 1 of the Option One year.

6.12.2.3 If a unit member initially selects Option One, and subsequently desires Option Two, the District will attempt to accommodate this request. At this stage, however, granting the leave is discretionary with the District.

6.12.2.4: If a partial Child-Rearing Leave is desired, it is only available pursuant to Option Two and only during the second (2<sup>nd</sup>) year.

- All partial Child-Rearing Leaves must be requested in accordance with, and comply with, all provisions of Article 18 (Job-Share Assignments).

6.13: ***Sabbatical Leave***

6.13.1: ***Basic Eligibility.*** Any certificated permanent employee who has served a minimum of seven (7) consecutive years in the District shall be eligible to apply for a sabbatical leave of absence for study or travel. One (1) year of qualifying service shall be construed as seventy-five percent (75%) of the teaching days per year.

6.13.2: ***Length of Leave.*** Sabbatical leaves may be granted for not less than one (1) grading period.

6.13.3: ***Compensation.*** A sabbatical leave may be granted at seventy-five percent (75%) of regular salary for less than one (1) year, or fifty percent (50%) of salary for one (1) year, and shall be paid on a monthly basis. Since the purpose of this leave is study, the applicant shall agree not to accept other employment during the period of his/her leave unless it pertains directly to his/her study program and then only with the approval of the Superintendent. In no case shall the amount received from sabbatical leave pay and remuneration from other employment, grants, or stipends exceed the regular salary of the unit member. Should the amount of the other remuneration, grant or stipend be sufficient to cause the unit member's regular salary to be exceeded, the sabbatical leave pay shall be reduced by an amount sufficient to reduce the total anticipated salary to the amount the unit member would have received had s/he not taken the leave.

- 6.13.4: **Limitations.** No more than one percent (1%) of the negotiating unit may be on sabbatical leave at any one time.
- 6.13.5: **Application.** All applications for sabbatical leave shall be submitted on a District-approved form no later than six (6) months in advance of the beginning of the grading period for which leave is requested. Applicants shall be notified within sixty (60) days of the final filing date regarding the acceptance or rejection of their application.
- 6.13.6: **Sabbatical Leave Committee.** A Sabbatical Leave Committee to review requests shall be composed of three (3) tenured members appointed by the Association and two (2) employees designated by the Superintendent. Each appointee to the committee shall serve a term of three (3) years except that the initial appointments shall be for one (1), two (2) and three (3) years.
- 6.13.7: **Selection.** The Sabbatical Leave Committee shall develop reasonable standards for study and travel in order to qualify for sabbatical leave. To receive attention by the Committee the proposed leave shall meet the following minimum criteria:

Professional Study or Research. The unit member shall pursue a full-time program of advanced graduate studies in an accredited institution of higher learning. The program must relate to the present or prospective service of the unit member or must qualify him/her for another degree.

Independent Study or Research. The unit member shall pursue a program of independent study or research relating to his/her present or prospective service. Such study must be under the guidance of a sponsor approved by the Sabbatical Leave Committee. The program must be equivalent in effort and content to that outlined above.

Travel and Study Leave. The unit member shall pursue a program of full-time study or research equivalent to the program outlined above, and an approved travel itinerary. The program of study and travel shall relate to the present or prospective service of the unit member. In estimating the value of the leave to the District, its worth in terms of what the applicant may contribute to improve service which shall benefit the schools and pupils of the District is important.

Candidates selected for sabbatical leave, as a condition of being granted a leave, shall agree to render a period of service in the employ of the District following their return from the leave which is equal to twice the period of the leave granted.

The Sabbatical Leave Committee shall recommend the person(s) best qualified to the Superintendent.

- 6.13.8: **Required Surety.** Unit members shall file with the District a written contract which requires them to repay the District an amount equal to the gross salary paid the unit member during the period of sabbatical leave should the unit member fail to return to the employ of the District and render a period of service following his/her return from leave of absence which is equal to twice the period of the leave.
- 6.13.9: **Effect of Injury or Illness.** If injury, illness or death prevents fulfillment of the agreement to return to service in the District, no repayment of leave salary shall be required. Both the Board of Trustees and the District shall be free from any liability for the payment of any compensation or damages provided by law for the death or injury of any unit member employed in a position requiring certification qualifications when the death or injury occurs while the unit member is on leave of absence.
- 6.13.10: **Return to Service.** At the expiration of leave, the unit member shall be reinstated in the position, or a similar position, held at the time leave was granted, unless a change of assignment is mutually agreeable. A unit member returning from sabbatical leave shall progress on the salary schedule the same as if he/she had remained in active service. Within sixty (60) days after returning from a sabbatical leave, the unit member shall be required to submit the following documentation as evidence of having performed the tasks agreed upon to be undertaken during the leave period:

<i>Type of Leave</i>	<i>Evidence</i>
Professional Study or Research	An official transcript of courses taken
Independent Study or Research	A statement from the sponsor verifying completion of study and level of accomplishment
Travel	A detailed itinerary of the trip and written report setting forth the participant's actions and benefits to the school and pupils of the District

6.14: **Legislative Leave**

- 6.14.1: An employee who is elected to the legislature, to a statewide public office, or a full-time city or county public office shall be entitled to an unpaid leave of absence for the length of his/her terms of office.
- 6.14.2: A unit member on such leave shall be entitled to return to employment within six (6) months following the end of the leave.

6.14.3: A unit member on such leave shall notify the Board of Trustees of his/her intended return by March 1 if he/she intends to return at the beginning of the next school year. In all other situations, a unit member shall notify the District at least ten (10) weeks in advance of his/her anticipated return to service.

6.15: ***Professional Enrichment Leave***

6.15.1: Leave with partial payment may be granted for the purpose of professional enrichment. Professional enrichment shall be defined as any activity which enhances the unit member's ability to fulfill his/her role.

6.15.2: ***Eligibility***

- Certificated employee with permanent status
- At least seven (7) years of service in the District, with at least five (5) years of continuous service since any prior leave granted pursuant to 6.13 or 6.15.
- Placement on Column III, Steps 10-12; Column IV, Steps 9-12; or Column V, Steps 8-20 of the Certificated Salary Schedule

This insures that the District will not have to pay more in salary than would have been paid had the leave not been granted.

6.15.3: ***Application.*** A written statement of the dates and duration of the leave and of the anticipated activities shall be submitted to the Assistant Superintendent, Human Resources as soon as reasonably practicable.

6.15.4: ***Procedure for Approval.*** Approval is at the discretion of the Board of Trustees. Upon request, a unit member shall receive, in writing, the reasons why his/her request was not approved if the Board does not honor the request.

6.15.5: ***Financial.*** The unit member shall be paid the difference between the salary he/she would have received during the period of leave, and the salary received by a full-time temporary teacher on Column II, Step 5 of the Certificated Salary Schedule (Exhibit A of this Agreement).

6.15.6: ***Required Agreement.*** Unit members shall file with the District a written contract which requires them to repay the District an amount equal to the gross salary paid the unit member during the period of personal enrichment leave should the unit member fail to return to the employ of the District and render a period of service following his/her return from leave of absence which is equal to the period of leave.

6.15.7: ***Effect of Injury or Illness.*** If injury, illness or death prevents fulfillment of the agreement to return to service in the District, no repayment of leave salary shall

be required. Both the Board of Trustees and the District shall be free from any liability for the payment of any compensation or damages provided by law for the death or injury of any unit member employed in a position requiring certification qualifications when the death or injury occurs while the unit member is on leave of absence.

6.16: ***Leave for Association President***

- 6.16.1: The District shall grant up to full-time release for the association president upon request.
- 6.16.2: The Association president shall receive compensation and benefits as though he/she were a regular full-time unit member.
- 6.16.3: The Association president shall be advanced on the salary schedule as though he/she had been a regular full-time unit member.
- 6.16.4: The Association shall reimburse the District for all salary and salary-related costs in an amount equal to that paid on behalf of a full-time, temporary teacher on Column II, Step 5 of the Certificated Salary Schedule (Exhibit A of this Agreement). If the Association president is not on a one hundred percent (100%) leave, the reimbursement shall be prorated.
- 6.16.5: The Association president shall have the right to return to the exact position and school he/she left prior to receiving Association leave.
- 6.16.6: Other provisions of Association leave included in this Agreement are not affected by this leave.

6.17: ***Exchange Leave***

A unit member may apply for an exchange leave in accordance with the rules and regulations of the appropriate agency. At the time of application, a copy of those rules and regulations shall be submitted to the District.

6.18: ***Family Care Leave***

- 6.18.1: The District shall provide each bargaining unit member with leave in accordance with State (Government Code section 12945.2) and/or Federal (PL 103-3) Family and Medical Leave Acts. A summary of the current provisions of these laws is available in the Human Resources Division.
  - 6.18.1.1: Other leaves granted pursuant to this Agreement, if they duplicate a leave mandated by the statutes set forth in section 6.18.1, shall satisfy the District's obligation under these statutes.

6.19: ***Regional Occupational Program (ROP) Leave***

The following shall apply to permanent bargaining unit members who were on ROP leave during the 1995/96 school year:

- 6.19.1: The leave shall annually renew, without limit, unless the unit member notifies the District of his/her intent to return.
- 6.19.2: Written notice of intent to return must be received by the District prior to January 31 of the year preceding his/her return.
- 6.19.3: The leave shall be irrevocable before its expiration date (including requested extensions).
- 6.19.4: Upon expiration of the leave, the unit member shall be returned to District employment, assigned by the District, and placed on the salary schedule with credit for years of service at ROP.

6.20: ***Other Leaves***

The District and the Association recognize that a unit member may occasionally need to request a leave for a reason not addressed in this Article (e.g. family hardship). If the District determines that a suitable replacement is available, and that granting the request would not be detrimental to the education of the students, approval will be recommended to the Board of Trustees. The Board, however, retains final authority to grant or to deny. Terms of the leave shall be those agreed upon between the unit members and the District.

6.21 **Catastrophic Leave Program**

The parties acknowledge that each probationary and permanent bargaining unit member is provided by statute with ten (10) days of Sick Leave each year and can, in appropriate circumstances, access up to one hundred (100) days of extended sick leave (at difference pay). This Catastrophic Leave Program is intended to provide additional protection in the case of a catastrophic illness or catastrophic injury.

6.21.1. **General Provisions**

- 6.21.1.1: Participation in the Program is voluntary. Only unit members who are contributors to the Program (and who remain members in good standing) will be permitted to withdraw days from the Program.
- 6.21.1.2: Catastrophic Leave may not be used for an illness or disability which qualifies the unit member for Workers' Compensation benefits.

6.21.1.3: A unit member on Catastrophic Leave shall not accrue any other District-paid leave.

7.3: ***Definition of Terms***

7.3.1: Vacancy: an unfilled certificated position.

7.4: ***Assignment, Reassignment and Transfer - General***

7.4.1: ***Open listing.*** A list of all known vacant positions for the succeeding school year for certificated personnel shall be maintained in the Human Resources Division. This list shall be kept current as openings become known and shall be transmitted to the president of the Association of Pleasanton Teachers as vacancies occur. The list shall also be available to unit members upon request. As vacancies occur after March 10, they shall be posted in a conspicuous place in each school building with deadline dates for making application. The deadline dates shall not be less than five (5) working days after the date of posting. No assignment shall be filled or committed until after the closing date.

The posting of each vacancy shall include required credential authorization and certifications such as CLAD, based upon program need.

- 7.4.2: Unit members in the District with appropriate experience and qualifications who express an interest, in writing, shall receive first consideration in filling a vacancy. In the event two (2) or more equally qualified unit members apply for this vacancy, upon request those not selected will receive in writing the reasons why he/she were not selected.
- 7.4.3: Mutual agreement between parties should be of concern in all cases of assignment. A unit member's preference shall be considered whenever possible.
- 7.4.4: The administrative staff shall make a clear declaration of intention as to assignment and school when a contract is issued to new teachers. Returning teachers shall be notified by June 1 of their assignments, (school, grade level and/or subjects) for the coming year. Assignments shall not be made after this date except by mutual agreement or upon good cause. "Good cause" shall include, but not be limited to, resignations, changes in enrollment and program changes.
  - 7.4.4.1: The Senior Director of Pupil Services will arrange a meeting with the psychologists prior to May 15 to discuss staffing for the following year. A District-initiated transfer shall be based upon, not necessarily in the following order of importance: seniority in the District, program needs (including type of case load), student needs, student welfare, and unit members' welfare. Psychologists shall be notified of their assignments prior to June 1.
  - 7.4.4.2: If the assignment for the psychologist must be changed before the start of the school year, a meeting will be held with the unit member prior to August 20 to discuss the change. The needs of the employee will be considered.
- 7.4.5: The District shall give consideration to the fact that a unit member has been working a split assignment in filling assignments which are not split, with the understanding that this is but one of the factors the District will consider, and not necessarily the most important.
- 7.4.6: Prior to posting vacancies, internal school site reassignments can be initiated by the principal.
- 7.4.7: If the days/hours of a permanent part-time employee are to be changed, the supervisor shall provide the employee with a minimum of two (2) weeks' notice of the proposed change. The needs of the employee will be considered.

7.5: ***Employee-Initiated Transfers and Reassignments***

- 7.5.1: The unit member shall discuss the desired change with his/her immediate supervisor or principal. In those instances where the request is such that the problem cannot first be discussed as indicated, direct contact may be made with the Assistant Superintendent, Human Resources.
- 7.5.2: The unit member shall make his/her interest officially known by submitting to the Human Resources Division a Request for Transfer form (see Exhibit D). This form shall be submitted prior to February 15. Information in the form may include reasons for seeking the requested transfer and the type of opening desired.
- 7.5.3: The principals, immediate supervisors, and Assistant Superintendent, Human Resources, shall review the requests. The principal or immediate supervisor shall hold the interview, if necessary, and make recommendations to the Assistant Superintendent.
- 7.5.4: Unit members shall be notified regarding the status of their requests by affected Administrators no later than March 1. Official notice of all approved transfers shall be given by the Human Resources Division by March 15.
- 7.5.5: An employee-initiated request shall be based upon, not necessarily in the following order of importance: seniority in the District, program needs including school and student needs, appropriate credential, academic preparation including major and minor, and pupil and teacher welfare. All of the other foregoing criteria being substantially equal, transfer shall be made on the basis of seniority.
- 7.5.6: The teacher who is denied a transfer/reassignment may request, and shall be granted, a meeting with the administration to discuss the issue. If a request is denied, the teacher shall be given, upon request, written rationale for the denial. The teacher shall have the right to representation of his/her choice at this meeting.
- 7.5.7: The District shall give consideration to the fact that a unit member has been working a split assignment in filling assignments which are not split, with the understanding that this is but one of the factors the District will consider, and not necessarily the most important.

7.6: ***District-Initiated Reassignment (K-5)***

- 7.6.1: Subject to the approval of the Board of Trustees, the Assistant Superintendent may reassign unit members as soon as possible when such changes are in the

best interest of the District. Reasons for reassignment would include those related to pupil or unit member welfare, enrollment changes, budgetary adjustments and changes in the instructional programs.

- 7.6.2: The teacher to be reassigned shall have the right to indicate preferences from a current list of vacancies and shall be given first consideration.
- 7.6.3: No vacancies shall be filled by means of an involuntary reassignment prior to giving consideration to filling the vacancy with a qualified volunteer.
- 7.6.4: No later than May 15, the administration shall discuss at a meeting with the staff of each school the proposed staffing allocation for the subsequent year. Staffing allocation means the number of teachers tentatively allocated to the school for the subsequent school year.
  - 7.6.4.1: A written copy of the aforementioned staffing allocation, including a list of known vacancies, shall be distributed with the agenda or distributed at the meeting.
  - 7.6.4.2: Staff members shall be given an opportunity to volunteer for reassignment. If a staff member volunteers, the voluntary reassignment procedures shall apply.
- 7.6.5: An involuntary reassignment shall be based upon, not necessarily in the following order of importance: seniority in the District, program needs including school and student needs, appropriate credential, academic preparation including major and minor, and pupil and teacher welfare. All of the other foregoing criteria being substantially equal, reassignment shall be made on the basis of seniority (i.e. the least senior teacher shall be the one reassigned).
- 7.6.6: Notice of involuntary reassignment for the following school year shall be given to teachers as soon as possible, and not later than June 6, except when good cause or mutual agreement to waive the deadline exists.
- 7.6.7: A District-initiated reassignment shall take place only after a meeting between the teacher and principal. The teacher shall have the right to representation of his/her choice and shall be notified of the reasons for the reassignment.
- 7.6.8: If a K-5 teacher is reassigned by the District to a split grade, and the split assignment is not necessary due to changes in enrollment, that teacher shall (for the following year) be considered a member of the grade level taught before the reassignment. If an excess of teachers exists in that grade level, then paragraph 7.6.5 shall apply.

7.7: ***District-Initiated Transfer (K-5)***

When the District determines that a teacher surplus exists at a site, the least senior teacher at the site, with the appropriate credential, shall be transferred. This shall not apply in the case of a unit member assigned to a District-wide program (e.g. Special Education).

If no one at that site has the appropriate credential, the District first will transfer the least senior appropriately credentialed unit member from within the District and then transfer the least senior surplus unit member to the newly created position.

7.7.1: When a District-initiated transfer occurs due to elimination of a position, and when subsequently a vacancy occurs at the school from which the unit member was transferred by the District, the unit member shall be given first consideration when filling this vacancy.

7.7.2: No vacancies shall be filled by means of a District-initiated transfer without giving consideration to a qualified volunteer (section 7.5).

7.8: ***District-Initiated Reassignment (6-12)***

7.8.1: At the high school level, when the allocations of periods of teaching in each department have been determined, the principal will direct each department chairperson to work with the departmental personnel to make a proposed departmental schedule for the next semester.

7.8.1.1: When the proposed master schedule results in the reassignment of a teacher from one department to another, then the principal shall meet with the teacher being reassigned for providing the reasons for the reassignment and giving the teacher an opportunity to suggest possible alternatives for the principal's consideration.

7.8.2: At grades six (6) to eight (8), no later than May 15, the administration shall discuss at a meeting with the staff of each school the proposed staffing allocation for the subsequent year. Staffing allocation means the number of teachers tentatively allocated to the school for the subsequent school year.

7.8.2.1: A written copy of the aforementioned staffing allocation, including a list of known vacancies, shall be distributed with the agenda or distributed at the meeting.

7.8.2.2: Staff members shall be given an opportunity to volunteer for reassignment. If a staff member volunteers, the voluntary transfer procedure shall apply.

7.8.3: Mutual agreement between parties shall be of concern in all cases of

reassignment. A unit member's preference shall be considered.

7.9: ***District-Initiated Transfer (6-12)***

- 7.9.1: Subject to the approval of the Board of Trustees, the Superintendent or his/her designee may transfer unit members. Reasons for transfer would include those related to pupil or unit member welfare, enrollment changes, budgetary adjustments and changes in the instructional program.
- 7.9.2: The teacher to be transferred shall have the right to indicate preferences from a current list of vacancies and shall be given first consideration.
- 7.9.3: No vacancies shall be filled by means of an involuntary transfer without giving consideration to a qualified volunteer.
- 7.9.4: An involuntary transfer shall be based upon consideration of the following criteria:
- program needs (including school and student needs)
  - appropriate credentials
  - academic preparation (including major and minor)
  - seniority in the District
  - pupil and teacher welfare.
- 7.9.5: Notice of involuntary transfer for the following school year shall be given to unit members as soon as possible and not later than five (5) working days prior to the end of the school calendar, except when mutual agreement to waive the deadline exists.

- 7.9.7: Involuntary transfers shall not be made for punitive or disciplinary reasons.
- 7.9.8: The administrator initiating the transfer shall arrange a conference with the teacher and discuss the reasons for considering the transfer.
- 7.9.9: Any teacher involuntarily transferred shall not be similarly transferred for a minimum of three (3) years unless there are circumstances such as declining enrollment.

7.9.10: It is recognized that it may be necessary to transfer unit members to service on more than one (1) campus. Such transfers shall occur only after principals and/or immediate supervisors, Assistant Superintendent, Human Resources, unit member and representative of the exclusive bargaining agent (if desired by unit member) have met and reviewed the reasons for such assignment to meet the educational needs of the District, unless requirement of such meeting is waived by the unit member.

"First" shall be by day, not by hour or minute.

- Should a tie exist based upon same-day application, total length of District employment shall determine order of funding. If this is equal, determination shall be by lottery.
- Applications can be submitted on a conditional basis. Should a unit member not be funded, he/she may withdraw his/her retirement request. If the member is funded, he/she may not withdraw his/her retirement application.

- b. The District may, in its discretion and based upon its assessment of its financial condition, offer additional

- b. This award will be placed in an IRC 403(b) account for the unit member as an employer contribution.
  - This payment could be made at the time of retirement, in full to the employee's 403(b) account, if such a deposit would not cause the overall deposits to the employee's 403(b) to exceed the annual amount (\$45,000 for calendar year 2007).
  - If the payment of the whole early retirement incentive at time of retirement caused the total amount contributed to exceed the annual limit, then the employer contribution of the incentive could be spread over several years (two [2] at least, or up to five [5] years after termination).

**EXAMPLE:**

Maximum allowed contribution to 403(b) is \$45,000 for 2007. This amount includes employee contribution maximum of \$15,500 and any employer contribution. If an employee taking the early retirement incentive had employee contributions of \$15,500 in 2007, the maximum the District could put in for 2007, as an employer contribution, is \$29,500 ( $\$45,000 - \$15,500 = \$29,500$ ). The remaining amount due to the employee could be contributed by the District in the following year(s).

- c. The sum set forth in section 12.2.3.4.a reflects the 2006/07 salary schedule and shall be indexed to conform to the annual percentage change in the salary schedule (Exhibit A). Should Exhibit A be subject to an increase, but for less than a full year, the percentage shall be appropriately reduced.

12.2.3.6: ***Spring Application Period***

- a. The District, in its discretion, may open a second application period after January 1 of any year. If opened, the District will specify the number of District Retirement Awards that are anticipated to be funded and any additional eligibility requirements to be imposed. Subject to these criteria, applications will be processed in accordance with section 12.2.3.3 above.
- b. Unless a Spring Application Period is opened to negate/minimize the need for staff reductions, all Fall applications must have been funded.

12.3: ***Supplemental Retirement Benefits***

12.3.1: ***Reduced Work Year (“Willie Brown”)***

The District will offer the STRS Reduced Work Year program in accordance with applicable STRS policies and procedures. A copy of the policies and procedures is available from the Human Resources Division.

The default structure shall be employment for 50/50 (one-half (1/2) of the school year or one-half (1/2) of the school day for the entire school year). While other percentages may be agreed upon (e.g. 60/40, 70/30, 80/20, etc.), at the end of each year, the default for the coming school year shall be 50/50 unless another structure is agreed upon between the District and the unit member.

## **ARTICLE 13 SPECIAL EDUCATION**

- 13.1: This Article may be reopened by Association request to discuss the impact and implementation on unit member working conditions and other items in the scope of bargaining of new special education legislation passed after the adoption of the Agreement, and during the life of the Agreement.
- 13.2: The District shall provide the equivalent of one (1) day per year of mutually agreed upon release time for any general education classroom teacher who has a student designated in his/her current IEP as being in a Full Inclusion placement assigned to his/her class. This release time will be used for educational planning, collaboration with special education teachers to develop appropriate curriculum modifications/accommodations and other activities which relate to having this student in his or her classroom. This release time would be scheduled by the unit member with the approval of the site administrator.

### **13.3 *Definitions***

The parties recognize that Special Education definitions are not set by the District and are subject to change. However, in an attempt to advise unit members of special education student status that may affect them, the following definitions were appropriate in the 2012/2013 school year.

#### **13.3.1: Full Inclusion**

A student with a moderate to severe disability who participates for the full school day in a general education classroom is considered to be in a full inclusion placement. The student is exposed to the general education curriculum and modifications and accommodations to this program are made in collaboration with special education staff. The student is not expected to meet all general education standards but rather meet goals established by the special education staff in collaboration with the general education teacher and other IEP team members. Social skill development can be a primary benefit to the student's participation in a full inclusion placement rather than academic achievement.

#### **13.3.2: Push In Services**

Students with mild to moderate disabilities whose primary placement is in the general education program may receive some or all of their special education support through the special education teacher working with them in the general education setting (pushing into the general education setting). It is the District's legal obligation to assure students are participating as much as possible in the general education setting. This instruction would be designed by the special

education teacher but could be implemented by an aide. Special education students' time out of the general education is carefully monitored by the State Department of Education and stringent targets for general education participation of identified students are established for the District.

#### 13.3.3: Pull Out Services

Students with mild to moderate disabilities whose primary placement is in the general education program may receive some or all of their special education support by leaving the general education program to receive special education instruction individually or in a small group with a special education teacher. These students are pulled out of their general education program to receive this special education instruction. Pull out services include specialized instruction by a special education teacher as well as designated instructional services such as speech, occupational therapy and adapted physical education.

#### 13.3.4: Mainstreaming

All special education students are guaranteed access to general education participation to the maximum extent appropriate. For students who require special education instructional support for the majority of their school day (students in special day class placements), the District must define the amount of time they can successfully participate in general education. This "mainstreaming" back into the general education program allows the student access to the general education instruction as well as access to typically developing peers for ongoing development.

#### 13.3.5: Reverse Mainstreaming

When a child is unable to participate in mainstreaming, an individual or small group of typically developing peers may participate in activities/instruction in the special education classroom.

### 13.4: ***Full Inclusion***

See 13.3.1 above for a definition of Full Inclusion.

13.4.1: The District shall initially seek a volunteer from the affected site before assigning a full-inclusion student to a class roster.

13.4.2: A teacher who is assigned one (1) or more full-inclusion students shall be notified as early as possible regarding the enrollment of such a student in his/her class.

13.4.3: Prior to the first day of attendance of a student previously identified by the

District as a full-inclusion student, the teacher shall be informed of the student's medical needs, receive a copy of the District's medical emergency plan for that student and a copy of the student's IEP. If the student is new to the District, all pertinent medical information and the IEP will be given to the teacher within five (5) days after the District receives the information from the former district.

13.4.4: The District shall provide the following to a teacher who has been assigned a full-inclusion student:

- staff development;
- appropriate curricular and adaptive instructional materials and equipment;
- support from a District specialist or resource teacher.

13.4.5: In addition, the District may offer the following to a teacher who has been assigned a full-inclusion student:

- use of a classroom aide;
- extra materials;
- transition support through release time by both the former teacher and the full-inclusion teacher.

13.4.6: The District shall count the full-inclusion student toward the class size of the regular teacher to whom the student is assigned. Unless the teacher of the full-inclusion student agrees otherwise, his/her class roster shall be the last roster to reach maximum class size for that grade level at the school site.

**ARTICLE 14**  
**REDUCTION IN FORCE**

Upon request of the Association, negotiations shall be reopened regarding the implementation and impact of layoffs pursuant to Education Code 44955.

**ARTICLE 15**  
**PEER ASSISTANCE AND REVIEW**

15.1: ***Purpose***

- 15.1.1: The Association and the District strive to provide the highest possible quality of education. In order for students to succeed in learning, all teachers should succeed in teaching. The Association and the District believe that all teachers should focus on continuous improvement in professional practice and that teachers having difficulties can benefit from the assistance and review of colleagues. Therefore, the parties have cooperated in the design and implementation of this Peer Assistance and Review Program (Program or PAR) to improve the quality of instruction through opportunities for professional development and peer assistance. Teachers referred to, or who volunteer for, this Program are viewed as valuable professionals who deserve to have resources provided to them in the interest of improving performance to a successful standard.
- 15.1.2: The Program allows exemplary teachers to assist certificated teachers in the areas of subject matter knowledge and teaching methods or instruction.
- 15.1.3: The extent of the Program’s assistance and review depends on whether the participating teacher (1) is a voluntary participating teacher or (2) is a referred participating teacher with an “unsatisfactory” level of performance in one or more areas set forth in 15.2.4.
- 15.1.4: The Program’s assistance and review shall be provided through Consulting Teachers. This shall not involve the participation in, nor the conducting of, the annual evaluation of unit members as set forth in Article 8 of this Agreement and Education Code Section 44660 *et seq.*
- 15.1.5: Program resources shall be utilized in the following order:
  - 15.1.5.1: Referred Participating Teachers with an Unsatisfactory level of performance (see 15.2.4).
  - 15.1.5.2: Voluntary Participating Teachers.
  - 15.1.5.3: Expenditures related to the PAR program shall not exceed the annual PAR budget (see 15.3.5) without compliance with the District’s budget revision process.

- 15.2.1: “Classroom Teacher” or “Teacher.” Any unit member who is a classroom teacher.
- 15.2.2: “Participating Teacher.” A unit member who is a classroom teacher and who either volunteers for, or is required by this Article to participate in, the Program.
- 15.2.3: “Consulting Teacher.” An exemplary teacher meeting the requirements of subsection 15.5 who is to provide Program assistance to a Participating Teacher.
- 15.2.4: “Referred Participating Teacher.” A Referred Participating Teacher is a teacher who has been placed on and has received Pre-Assistance and Assistance (as per Article 8 and Exhibit F9 of the Agreement between the District and the Association) and who, after the period of Assistance, has been determined by the evaluator to still not be performing at the level of “Applying” or above on one or more of the six (6) standards areas of the California Standards for the Teacher Profession (CSTP). The teacher has therefore been identified as a Referred Participating Teacher and is required to work with a PAR Consulting Teacher on the areas recommended for improvement by the evaluator in the Professional Improvement Plan (PIP).
- 15.2.5: “Voluntary Participating Teacher.” A Volunteer Participating Teacher is a certificated teacher who volunteers to participate in the PAR program. The purpose of participation in the PAR program for the Volunteer Participating Teacher is for peer assistance only and the Consulting Teacher shall not participate in a performance review of the Volunteer Participating Teacher. The Volunteer Participating Teacher may terminate his or her participation in the PAR program at any time.
- 15.2.6: “Principal” or “Evaluating Principal.” The certificated administrator appointed by the District to evaluate a certificated teacher.

15.3: ***Joint Committee (JC)***

- 15.3.1: The Joint Committee shall consist of five (5) members. Three (3) shall be certificated classroom teachers who are chosen to serve by the Association. The District shall choose two (2) administrators to serve on the Joint Committee. The District and the Association shall individually determine the method for selection and the qualifications to serve.

- 15.3.2: To promote continuity, appointees shall serve staggered three (3) year terms. The term of service for a Joint Committee member may be extended with the agreement and approval of the Association (for teacher Joint Committee members) and the Board of Trustees (for administrator Joint Committee members).
- 15.3.3: The Joint Committee shall establish its own meeting schedule. To meet, at least four (4) of the members of the Joint Committee must be present. Such meetings shall typically take place outside the regular teacher work day or during non-school time. Each teacher member of the Joint Committee shall receive a stipend of Four Thousand Dollars (\$4,000.00). For training that occurs on a non-work day, Joint Committee members shall be compensated at an hourly rate of Forty-Two Dollars (\$42.00) per hour.
- 15.3.4: The Joint Committee's primary responsibilities involve administration of the annual budget for the Program and selection and oversight of the Consulting Teachers. In addition, the Committee is responsible for the following:
- 15.3.4.1: Arrange annual training for the Joint Committee members, Consulting Teachers and, where appropriate, Participating Teachers.
  - 15.3.4.2: Establish procedures and regulations necessary to carry out the requirements of this Article, including a procedure for the selection of a Chairperson. Such procedures and regulations will be consistent with the provisions of this Agreement and, to the extent there is an inconsistency, this Agreement will prevail.
  - 15.3.4.3: Send written notification of participation in the Program to the Referred Participating Teacher with an Unsatisfactory level of performance (as defined in paragraph 15.2.4), the Consulting Teacher and the site principal.

15.3.4.8: Submit to the Governing Board and the Association an annual evaluation of the Program's impact.

15.3.4.8.1: The annual evaluation of the Program's impact may include interviews of Program participants, principals and others as deemed appropriate. This evaluation shall be in writing and shall be submitted at the same time that the proposed budget is submitted.

15.3.4.8.2: The annual evaluation shall include recommendations regarding Referred Participating Teachers and, if necessary, shall forward names of individuals who, after sustained assistance, are unable to demonstrate satisfactory improvement.

15.3.5: The Joint Committee shall be provided with an annual budget computed as follows: Two Thousand Eight Hundred Dollars (\$2,800.00) [indexed] x the number of mentor positions for which the District qualifies. (Anticipated as Eighty-Four Thousand Dollars (\$84,000.00) for the 1999-00 school year, and Eighty-Four Thousand Dollars (\$84,000.00) for the 2000-01 school year).

15.3.5.1: The budget shall be utilized to carry out the provisions of this Article.

15.4: ***Program Participation***

15.4.1: ***By Referred Participating Teachers***

15.4.1.1: Any such teacher must participate in the Program.

15.4.1.2: Such teacher will select a Consulting Teacher. A different Consulting Teacher may be selected to work with the Participating Teacher either upon request of the Participating Teacher or upon request of the Consulting Teacher. In either case, however, approval of the Joint Committee is required. The Joint Committee may terminate a partnership between a Referred Participating Teacher and a Consulting Teacher if the Joint Committee determines that the partnership is not adequately meeting the goals of the PIP. In this case, the Joint Committee will work with the referred participating teacher to identify another Consulting Teacher to be assigned to him or her.

15.4.1.3: The Consulting Teacher's assistance and review shall focus on the specific areas recommended for improvement by the Participating

Teacher's evaluator in the Professional Improvement Plan (PIP).

- 15.4.1.3.1: These recommendations shall be written, aligned with student learning and the California Standards for the Teaching Profession (CSTP), clearly stated, and consistent with Education Code Section 44662. These recommendations shall be considered the performance goals required by Education Code Sections 44664(a) and 44500(b)(2).
- 15.4.1.3.2: The Principal and the Consulting Teacher assigned to the Referred Participating Teacher shall meet and discuss the recommended areas of improvement outlined by the Principal. The Principal shall be afforded the opportunity to provide input regarding the types of assistance that he/she feels should be provided by the Consulting Teacher.
- 15.4.1.3.3: The Consulting Teacher and the evaluating Principal are expected to establish a cooperative relationship and shall coordinate and align the assistance provided to the Referred Participating Teacher.
- 15.4.1.3.4: The Consulting Teacher and the Referred Participating Teacher shall meet to discuss the plan for assistance. After that meeting, the Consulting Teacher will provide the assistance set forth in Section 15.4.1.3 which shall also involve conducting multiple classroom observations of the Referred Participating Teacher.
- 15.4.1.4: Not later than April 1 of each year, the Consulting Teacher shall complete a written report consisting solely of a description of the assistance provided to the Referred Participating Teacher. This report shall be submitted to the Joint Committee, with a copy also submitted to the Referred Participating Teacher and the Principal.

- 15.4.1.6: After receiving the report, the Joint Committee shall determine whether the Referred Participating Teacher will benefit from

continued participation in the Program.

- 15.4.1.7: The teacher will continue participating in the Program until the Joint Committee determines the teacher no longer benefits from participation in the Program, or the teacher receives a satisfactory evaluation, or the teacher is separated from the District. The District has the sole authority to determine whether the Referred Participating Teacher has been able to demonstrate satisfactory improvement.

15.4.2: ***By Voluntary Participating Teachers***

- 15.4.2.1: Voluntary Participating Teachers are individuals who wish to grow and learn with the assistance from a peer.
- 15.4.2.2: The purpose of participation in the Program for the Voluntary Participating Teacher is for peer assistance only and the Consulting Teacher shall not participate in a performance review of the Voluntary Participating Teacher. A Consulting Teacher shall, however, submit a final report to the Joint Committee which consists solely of the time spent with the Voluntary Participating Teacher and the range of activities engaged in and/or provided.
- 15.4.2.3: Because teachers with satisfactory performance are not mandated by law to participate in the Program, neither the Consulting Teacher nor the Joint Committee will forward to the Board the name of a Voluntary Participating Teacher.
- 15.4.2.4: All communications between the Consulting Teacher and a Voluntary Participating Teacher shall be confidential. Without the written consent of the Voluntary Participating Teacher, such communication shall not be shared with others (this includes, but is not limited to, the site principal, the evaluator or the Joint Committee).

15.5: ***Consulting Teachers (CT)***

The Referred Participating Teacher with an Unsatisfactory level of performance shall have the right to submit a written response, within twenty (20) days, and have it attached to the final report.

  - 18.4.3.4: Acknowledgment that team members may be asked to attend meetings on non-scheduled days at the discretion of the principal.
  - 18.4.3.5: Acknowledgment that all job share participants must work the first three (3) full days that students are present.
  - 18.4.3.6: Communication between job share participants is critical. Each plan shall clearly and specifically address how this shall be accomplished.
- 18.4.4: Notwithstanding paragraph 18.4.1, the following activities require attendance by both job share participants for one hundred percent (100%) of the activity:
- Open House
  - Back-to-School Night
  - Mandatory Staff Development Days
  - Annual Parent Conferences
- 18.4.4.1: The preceding paragraph (18.4.4) shall not apply to job shares that are first semester/second semester. Such teachers shall only be required to attend mandatory staff development days, the first three (3) full days that students are present, and any of the above activities during their scheduled semester.

18.5: ***General Provisions***

18.5.1: ***Length of Job Sharing Assignment***

- 18.5.1.1: A job share assignment shall be granted for a period of one (1) year.
- 18.5.1.2: If the job share plan was deemed successful by the supervisor, the

participants may request renewal of the job sharing leave.

18.5.1.3: A unit member may not participate in a job share for more than five (5) years during his/her employment with the District.

- A partial Child-Rearing Leave (see Article 6.12.4) does not count against the five (5) year limit.
- Partial Child-Rearing Leaves are only available the second (2<sup>nd</sup>) year pursuant to Option Two.
- All partial Child-Rearing Leaves must be requested in accordance with, and comply with, all provisions of Article 18.

18.5.2: If one (1) team member fails to complete a job share assignment, for any reason, the unfinished time of service in that school year will be assigned by the District to the other partner unless this assignment will create an unreasonable hardship for the remaining employee.

18.5.3: A job share is:

18.5.3.1: Working 50/50 of the number of the student attendance days.

18.5.3.2: Working 60/40 of the student attendance days; or

18.5.3.3: Working either first semester or second semester.

18.5.3.4: Any job share also includes those work days and responsibilities set forth in paragraph 18.4.3.

18.5.4: Teachers in a job share shall, except in cases of unreasonable hardship, substitute for the partner who must be absent due to illness/injury.

18.5.4.1: When this occurs, there will be no deduction of sick leave.

- However, a pay-back day will be credited to the individual who substituted.
- If pay-back days do not equal out at the end of the year, sick days shall be deducted from the partner in deficit and the teaching partner shall be paid for any extra days worked at the long-term substitute rate of pay.

18.5.4.2: If a teaching partner is projected to be absent for more than twenty

(20) consecutive work days, the District will:

- Offer the days to the other partner in accordance with 18.5.4.1.
- If the partner declines, the District will take all reasonable steps to secure the services of a substitute. In the interim, the job partner shall substitute.
- This shall not preclude the District, in appropriate circumstances, from proceeding in accordance with 18.5.2.

18.5.4.3: When the job share partner cannot reasonably substitute, a regular substitute will be employed and sick leave (pro-rated as appropriate) shall be deducted from the person who is absent.

18.5.5: Shared teaching assignments shall be limited as follows:

18.5.5.1: *Self-contained classrooms:*

- Not more than one (1) per grade level per site.
- Up to four (4) per site.

18.5.5.2: *Departmentalized Program:*

- No limitation on number of shared teaching assignments.

18.5.6: Movement on the salary schedule for a job share team member shall be based on the same criteria applied to other unit members.

18.5.7: Annual salary for a job share teacher shall be pro-rated based on the number of work days included in the teacher's job share contract.

**ARTICLE 19**  
**TEMPORARY CONTRACT TEACHERS**

- 19.1: Temporary employees shall be entitled to the terms and conditions of this Agreement.
- 19.2: Compensation shall be paid in the same manner and in the same amount as regular unit members.
- 19.3: Any unit member classified as a temporary employee, who renders service for at least seventy-five percent (75%) of the number of days the regular schools were maintained in a given year, shall be deemed to have rendered service for a complete school year as a probationary employee if employed as a probationary employee for the following school year.
- 19.4: Temporary employees hired before October 15, for the entire year, shall be evaluated during the year of service.

## **ARTICLE 20 CALENDAR**

### **20.1:            *Work Year***

The work year for bargaining unit members, unless otherwise provided in this Agreement, shall be one hundred eighty-five (185) days.

20.1.1: There shall be one hundred eighty (180) student instruction days.

20.1.2: There shall be two (2) non-instructional work days for all full-year unit members except summer school and adult education. One (1) work day is K-12 (typically the day before the first day of school). One (1) work day is at grades K-5 (for conferences), at grades 6-12 (a work day).

20.1.3: There shall be three (3) mandatory staff development days for all full-year unit members except summer school and adult education.

20.1.4: The placement of the days set forth in paragraphs 20.1.2 and 20.1.3 shall be subject to bargaining.

### **20.2:            *Minimum Days at K-8***

Each school year shall include two (2) teacher/student minimum days for K-8 teachers. These shall be the last student day before winter recess, and the last student day of the year.

### **20.3:            *Mandatory Staff Development Days***

20.3.1: If a unit member is unable to attend any of the three (3) mandatory staff development days due to a bona fide need, he/she will be afforded the opportunity to attend a make-up session on the date(s) established by the District for this purpose. No leave is available on these days nor shall any unit member's leave balance (e.g. sick leave, bereavement, etc.) be charged if they are unable to attend. See paragraph 20.3.2 below.

20.3.1.1: A unit member may use the committee established by Section 11.10 to review a denial of a request to make up a missed mandatory staff development day.

20.3.1.2: If a unit member has missed a mandatory staff development day due to a bona fide need, and he/she cannot make up the day (and could not have made it up), he/she may request to be exempted from the "dock" requirement in paragraph 20.3.2. A denial may be

appealed to the Section 11.10 committee.

- 20.3.2: A unit member who fails to attend any of the three (3) mandatory staff development days, and who fails to make up that day as set forth in section 20.3.1, shall be “docked” 1/185th of his/her annual salary for each day. The “dock” shall be taken from the employee’s last regular check for the school year.
- 20.3.3: To receive pay for the day, a unit member must complete six (6) hours of staff development training, excluding lunches and breaks. As required by Education Code sections 44579-44579.4, a mandatory staff development day is composed of six (6) hours.
- 20.3.4: A unit member shall not be required to make up a missed staff development day if he/she was required to render other District service on the staff development day. This shall only apply if the other service was pre-approved by the District and cannot be scheduled on a date other than that of the mandatory staff development.

**ARTICLE 21**  
**SAVINGS**

If any provision of this Agreement is held contrary to law by a court having final jurisdiction, such provision shall be deemed invalid to the extent required by such court decision. All other provisions of this Agreement shall continue in full force and effect.

**ARTICLE 22**  
**COMPLETION OF AGREEMENT**

This document comprises the entire Agreement between the District and the Association. The District shall have no further obligation to meet and negotiate, during the term of this Agreement, on any subject, whether or not said subject is covered by this Agreement, even though such subject was not known nor considered at the time of the negotiations leading to the execution of this Agreement.

**ARTICLE 23**  
**DISCIPLINE SHORT OF DISMISSAL**

- 23.1: In accordance with the principles of progressive discipline and just cause, the District shall have the right to suspend an employee without pay.
- 23.2: Progressive discipline means that the level of discipline should be tailored to fit the severity of the infraction.
- 23.2.1: By way of illustration and not limitation, the elements of progressive discipline include:
- 23.2.1.1: Warning (verbal with a written confirmation). This shall not be placed in the employee's personnel file except in conjunction with the imposition of future discipline.
- 23.2.1.2: Written reprimand (issued by an administrator at the level of Principal or above).
- 23.2.1.3: Suspension without pay.
- 23.2.2: In appropriate circumstances:
- 23.2.2.1: a serious infraction can result in the imposition of a higher level of discipline without the need to be preceded by a lesser form of discipline.
- 23.2.2.2: the District will take the employee's entire work history into consideration (e.g., typically, the process will be repeated for each type of offense but common threads and patterns of behavior may negate this requirement).
- 23.2.3: Except in extraordinary circumstances, an employee shall have the opportunity to meet with the person imposing/recommending discipline prior to the time that a firm decision is reached.
- 23.3: Disciplinary action shall be for just cause.
- 23.3.1: By way of illustration and not limitation, just cause includes actions or conduct which is counter to or in violation of:
- 23.3.1.1: The laws of the State of California.
- 23.3.1.2: Title 5 of the California Administrative Code of Regulation.

- 23.3.1.3: District Policies and Administrative Regulations.
  - 23.3.1.4: The Collective Bargaining Agreement.
  - 23.3.1.5: Professional Code of Ethics for Teachers.
  - 23.3.1.6: Reasonable and appropriate work rules which have been adopted by the District.
- 23.4: The maximum length for any one (1) suspension without pay shall be fifteen (15) working days.
- 23.4.1: This shall not limit the District's right to impose a suspension without pay of less than fifteen (15) working days.
  - 23.4.2: Pay may not be withheld from a suspended employee until either the time limit for the filing of a grievance over the suspension ends without the employee filing a grievance, or the appropriateness of the suspension is upheld through the grievance process.
  - 23.4.3: This provision shall not limit the District's right to immediately suspend an employee.
- 23.5: The District shall provide written notice to the employee (and the Association upon written request of the employee) of its intention to suspend. This notice shall contain:
- 23.5.1: A specific statement of the act(s) or infraction(s) upon which the proposed suspension is based; and
  - 23.5.2: A statement of the employee's right to appeal the proposed suspension through the grievance procedure. Only suspensions without pay may be processed through arbitration.
- 23.6: All information or proceedings regarding any actual or proposed suspension shall be kept as confidential as reasonably possible by the parties.
- 23.7: Actions in the form of dismissal, non-reelection, and release shall be in accordance with appropriate provisions of the Education Code. Nothing in this Article shall apply to those processes.

**ARTICLE 24  
TERMS OF AGREEMENT**

24.1: *Term*

The term of this Agreement shall be from July 1, 2016, through and including June 30, 2019.

24.2: *Reopeners*

24.2.1: For the 2017/2018 and 2018/2019 school years:

- Any article or topic upon mutual agreement of the parties
- Article 11 Salaries
- Up to Two (2) contract articles by either party

24.2.2 If the District decides to implement new or substantially changed programs provided through new legislation and/or Board of Trustee decisions, the parties agree to bargain the impact/effects of such programs.

Article 7 of the District/APT collective bargaining agreement addresses employee-initiated transfers. To be considered, a **permanent** employee must first possess the required credentials for the position (and, in some cases, a CLAD/SB1969 certificate). Once you have determined that your credentials are in order, the following steps should be followed:

---

**STEP 1 JANUARY:** Administrators at each site will first meet with staff and make tentative assignments (the internal shuffle) for the coming year.

**STEP 2 FEBRUARY 1:** A list of potential openings will be compiled by the HR Division, with input from administrators, and will be available at school sites by February 1. This list will contain, at a minimum, all known vacancies due to retirements, resignations, and growth positions.

**STEP 3 FEBRUARY 15:** To be considered for an employee-initiated transfer, an employee must fill out the Request for Transfer form on the back side of this memo (the “Green” Form). The Form must be submitted to Human Resources no later than 4:30 p.m. on February 15<sup>th</sup>. The Form must reference a specific listed position. Only **permanent** employees are eligible for this process.

**STEP 4 MARCH 1:** Each employee who submitted a “Green” form, and who possesses the required credentials/certificates for the identified position(s), will be contacted by the affected administrator(s) to schedule an interview for that position. Employees will be notified by March 1<sup>st</sup> regarding the administrator’s recommendation concerning their request for transfer.

**STEP 5 MARCH 10:** All continuing teachers (permanent and probationary), and temporaries to whom a job offer will be extended, will be advised of their tentative assignments for the coming year.

**STEP 6 THEREAFTER:** All remaining vacant positions will be posted and interested applicants from both inside and outside of the District may apply. All permanent District employees who possess the required credentials will be offered an interview. Competitive interviews will be held to determine the finalist for each position.

---

**Please review Article 7 in the collective bargaining agreement to see the criteria used to make selections. There are two ways to voluntarily transfer or be reassigned: (1) The process described above, which results in first consideration for known vacancies; or (2) (in the alternative) an employee can apply for remaining vacant positions after being given an assignment for the coming year.**

<b>PRE-ASSISTANCE</b>
-----------------------

**PRE-ASSISTANCE**

Pre-Assistance is considered to be a signal to the unit member that additional guidance and support is needed for maintaining Professional Standards in a particular domain(s). When Pre-Assistance is initiated by the supervising administrator, it is the responsibility of the administrator, along with the unit member:

1. To identify the specific problem in relation to the Professional Standards.
2. To develop and implement a plan for improvement within a period of ten (10) weeks.
3. To gather selections to show evidence of improvement in the Professional Standards.

Throughout Pre-Assistance, the Administrator makes a commitment to the unit member to support the improvement plan and allow the necessary time for making adjustments. The **early use** of Pre-Assistance is viewed as positive support for a unit member who finds himself/herself with difficult challenges in his/her teaching or professional responsibilities.

When a unit member is placed on Pre-Assistance, **no record of it shall be submitted to his or her certificated personnel file**. Only when a unit member is placed on Assistance is a record submitted to his/her personnel file. The period of Pre-Assistance is ten (10) weeks.

**Set forth below are the components of the Pre-Assistance Plan:**

The supervising administrator will give a written notice to the unit member regarding:

- Statement of the problem in relation to the Professional Standards;
- Statement of the desired outcome in relation to the Professional Standards;
- Date(s) that the problem has occurred;
- Date when the problem is to be resolved; and
- Recommendations and assistance that will be given to the unit member.

After the written notification is given to the unit member, follow-up observations and conferences between the unit member and the evaluator will take place. The conferences will result in one of the following actions:

- Continue observations and conferences.
- Placement on Assistance.
- When the problem is resolved, and Professional Standards are met, the unit member will return to the current evaluation option and timeline.

**ASSISTANCE**

If the goals of the Pre-Assistance Plan are not met, the unit member will be placed on Assistance and will select either a TVTIP Coach or a PAR Consulting Teacher who possesses the skills and training necessary to assist the unit member from a list presented by the Administrator. The period for Assistance is at least ten (10) weeks. While on Assistance, the unit member is not eligible to apply for an employee-initiated transfer.

The unit member will remain on the Administrative-Mandated Option during the year following successful completion of the Assistance Plan. Assistance will be based on the Professional Standards.

**Set forth below are the components of the written Assistance Plan:**

- Statement of the problem and existing conditions in relation to the Professional Standards.
- Specific objective(s) for the evaluatee in relation to the Professional Standards.
- Specific method and resources which the evaluatee will use to remedy the problem and meet the Professional Standards.
- Specific guidance and assistance that will be offered to the evaluatee.
