ACCIDENTAL DEATH AND DISMEMBERMENT BENEFIT

If, within 100 days from the date of an Accident, Injury from such Accident results in a loss covered by this benefit, We will pay the benefit in the amount set opposite such loss, as shown on the Schedule of Benefits. If the Insured sustains more than one such loss as the result of one Accident, We will pay only one amount, the largest to which the Insured is entitled.

Loss of hand or foot means loss by severance at or above the wrist or ankle joint. Loss of sight means the total, permanent loss of sight of the eye. The loss of sight must be irrecoverable by natural, surgical or artificial means. Loss of a thumb and index finger means complete severance through or above the metacarpophalangeal joints (the joints between the fingers and the hand). Severance means the complete separation and dismemberment of the part from the body.

Benefit payment is subject to the definitions, limitations, exclusions and other provisions of this Policy.

AXXADD401

ACCIDENT MEDICAL EXPENSE BENEFITS

We will pay benefits, as defined and limited below, for Covered Charges incurred by the Insured due to Injury. A Covered Charge is the Reasonable and Customary charge for a service or supply which is performed or given under the direction of a Doctor for the Medically Necessary treatment of an Injury. A Covered Charge is considered incurred on the date the treatment or service is rendered or the supply is furnished.

Covered Charges are payable only for an Injury:

- for which the first treatment or service is incurred within the Initial Treatment Period; and
- for which expense for all treatment or service is incurred within the Benefit Period.

Covered Charges are shown on the Schedule of Benefits.

No Other Valid and Collectible Insurance or Plan

After the Deductible has been satisfied, We will pay the Insured Percent of incurred Covered Charges up to the Maximum Benefit Amount, Per Injury. Benefit payment is subject to the definitions, limitations, exclusions and other provisions of this Policy.

Other Valid and Collectible Insurance or Plan

After the Deductible has been satisfied, We will pay the Insured Percent of incurred Covered Charges which are in excess of the total benefits payable for the same Injury by any Other Valid and Collectible Insurance or Plan on a provision of service or on an expense incurred basis, up to the Maximum Benefit Amount, Per Injury. Benefit payment is subject to the definitions, limitations, exclusions and other provisions of this Policy.

If Other Valid and Collectible Insurance or Plan provides benefits on an excess coverage basis, benefits will be paid first by the company or services plan whose policy or service contract has been in effect for the longer period of time at the date of such Injury.

For purposes of this Policy, the Insured's entitlement to Other Valid and Collectible Insurance or Plan will be determined as if this Policy did not exist and shall not depend upon whether timely application for benefits from Other Valid and Collectible Insurance or Plan is made by or on behalf of the Insured.

Primary Benefit Amount: If a Primary Benefit Amount is shown in the Schedule of Benefits, We will pay the Covered Charges incurred for an Injury up to the Primary Benefit Amount. Such Covered Charges will be paid according to the terms of the Policy. Subsequent claims received for the same Injury which are in excess of the Primary Benefit Amount, will subject the entire claim to the excess provision. Benefit payment is subject to the definitions, limitations, exclusions and other provisions of the Policy.

CLAIM PROVISIONS

Notice of Claim: Written notice of claim must be given to the Company or its authorized representative within 60 days after a covered loss starts, or as soon thereafter as is reasonably possible. Notice should include information sufficient to identify the Insured.

Claim Forms: The Company, upon receipt of written notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing Proofs of Loss. If such forms are not furnished within 15 days after the giving of such notice, the claimant shall be deemed to have complied with the requirements of this Policy as to Proof of Loss upon submitting, within the time fixed in this Policy for filing Proof of Loss, written proof covering the occurrence, the character, and the extent of the loss for which claim is made.

Proof of Loss: Written proof of loss for Hospital confinement must be given to the Company or its authorized representative within 60 days after release from the Hospital. Proof of any other covered loss must be given to the Company or its authorized representative not later than 90 days after the covered loss. If proof of loss is not given within 60 days, the claim will not be denied or reduced for that reason if that proof was given as soon as reasonably possible.

Time of Payment of Claims: Benefits for any loss, other than loss for which this Policy provides any periodic payment, will be paid immediately upon, or within 30 days after, receipt of due written Proof of Loss. When this Policy provides for periodic payment, the benefits will accrue and will be paid monthly subject to proper proof of loss.

We will pay or deny the claim not later than 30 days after receipt of the claim. If We deny a claim, We will notify the provider and the Covered Person. The notice shall state, with specificity, why We denied the claim. However, if We determine that reasonable supporting documentation is needed to establish Our responsibility to make payment, We shall pay or deny the claim not later than 45 days after receipt of the claim. Not later than 30 days after receipt of the claim, We shall notify all relevant external sources that the supporting documentation is needed.

The number of days that elapse between Our last request for supporting documentation within the 30 day period and Our receipt of all of the supporting documentation that was requested shall not be counted for purposes of determining Our compliance with the time period of not more than 45 days for payment or denial of a claim. If We request additional supporting documentation after receiving the initially requested documentation, the number of days that elapse between making the request and receiving the additional supporting documentation shall be counted for purposes of determining Our compliance with the time period of not more than 45 days.

If, however, after receiving initially requested documentation, We need additional supporting documentation pertaining to a Covered Person's Pre-existing Condition which was unknown to Us at the time of Our initial request for documentation, We subsequently request this additional supporting documentation, the number of days that elapse between making the request and receiving the additional documentation shall not be counted for purposes of determining Our compliance with the time period of not more than 45 days.

If We deny a claim, We shall notify the provider and the Covered Person. The notice shall state, with specificity, why We denied the claim.

Complaints: If you disagree with our claim determination, write to us and we will review Your claim. Such request must include the following information:

1. Your name;
2. Policy number;
3. Other identifying information found on the notice from us, if any;
4. A brief summary of the issues in conflict; and

Payment of Claims: Benefits payable under this Policy for loss of life will be paid to the Insured's next of kin and the provisions respecting such payment set out herein and effective at the time of payment. Any other payable benefits remaining unpaid at the time of the Insured's death may, at Our option, be paid to the Insured's next of kin or to the Insured's estate. All other benefits will be payable to the medical services provider.

If any indemnity of this Policy shall be payable to the estate of the Insured or to an Insured who is a minor or otherwise not competent to give a valid release, the Company may pay such indemnity to his parent, guardian or other person actually supporting him. Any payment made by the Company in good faith pursuant to this provision shall fully discharge the Company to the extent of such payment.

Subject to any written direction of the Insured or of the legal or natural guardian of the Insured, if the Insured is a minor or otherwise incompetent to make such a direction, all or a portion of any indemnities provided by this Policy as a result of medical, surgical, dental, hospital or nursing service will be paid directly to the hospital or person rendering such services; but it is not requested that the services be rendered by a particular Hospital or person.

Physical Examination and Autopsy: The Company, at its own expense, shall have the right and opportunity to examine the Insured as it may reasonably require while a claim is pending. The Company, at its own expense, may also have the right to make an autopsy in the case of death, where it is not prohibited by law.

Legal Actions: A legal action may not be brought to recover on this Policy within 60 days after written Proof of Loss has been given as required. No such action may be brought after 3 years from the time written proof was required to be given.

Subrogation: When benefits are paid to or for the Insured under the terms of this Policy, We shall be subrogated, unless otherwise prohibited by law, to the rights of recovery of such Insured against any person who might be acknowledged as liable or found legally liable by a Court of competent jurisdiction for the Injury that necessitated the hospitalization or the medical or surgical treatment for which benefits were paid. Such subrogation rights shall extend only to the recovery by the Company of the benefits it has paid for such hospitalization and treatment and the Company shall pay fees and costs associated with such recovery.

No change in this Policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this Policy or waive any of its provisions.

Company reserves the right to limit retroactive coverage to two months proceeding the date the error was reported.

If a clerical error is made so that the coverage is in effect for a person who is not eligible, an adjustment will be made to correct the error. Any Premium refund will be reduced by any payment made for claims. If claims paid exceed the Premium refund, the Policyholder shall reimburse Company for the overpayment.

Information and Records: The Policyholder shall provide Company information necessary to administer coverage under the Policy. Information is required when an Eligible Person becomes covered, when changes in amounts of coverage occur, and when the Insured coverage terminates.

Non-Participating: The Policy is non-participating. It does not share in the Company's profits or surplus earnings.
