Parents/Guardians,

We have arrived at April!!! Though the calendar does not look as busy as usual with activities, April is a BIG, BIG month for Tiger Nation. April brings with it, assessment. Students in Grades 2-5 will be participating in the TNReady test. It is vital that we work together in a school-home partnership over the next month to ensure that students will be able to be successful and show what they know on the TNReady assessment.

Teachers have been feverishly teaching and reviewing key standards/skills for their specific grade levels in all subject areas. Students have been participating in a variety of lessons/learning opportunities/weekly assessments to make sure that they are ready! So what can you do to help? Please ensure that your child is well rested and present at school everyday for the entire day. Attendance is key to student success!!! Be sure to encourage your child to do his/her best and offer praise for those efforts.

I urge and invite you to attend our TNReady Parent Night on April 5th at 6PM to find out more information about the test and ways to support your child and LMES!

Educationally,
Dr. Breeden
