Excellence
We take responsibility for
our students and staff achieving
consistently outstanding results.

Equity
We recognize and value the
individuality and experiences
of all students and respond to
their unique academic, emotional,
psychological, and social needs.

Community
We are rooted in our community's
richness and in the cultural and
environmental context where our
students and families live.

Innovation
We continuously learn, are
curious, and implement new
ideas, perspectives, and
evidence-based methods
in our work.

Joy
We build and maintain positive
relationships that foster happiness
and fulfillment among students,
staff and families.
