DIRECTIONS TO PARENTS AND GUARDIANS

The California Education Code contains legal requirements which direct schools to assess the English language proficiency of students. The process begins with determining the language(s) spoken in the home of each student. The responses to the home language survey will assist in determining if a student's proficiency in English should be tested. This information is essential in order for the school to provide adequate instructional programs and services.

As parents or guardians, your cooperation is requested in complying with these requirements. Please respond to each of the questions listed below as accurately as possible. For each question, write the name(s) of the language(s) that apply in the space provided. Please do not leave any question unanswered. If an error is made completing this home language survey, you may request correction before your student's English proficiency is assessed.

Thank you for your cooperation.

1.	Which language did your child learn when he/she first began to talk?		
2.	Which language does your child most frequently speak at home?		
3.	Which language do you (the parents or guardians) most frequently use when speaking with your child?		
4.	Which language is most often spoken by adults in the home? (parents, guardians, grandparents, or any other adults)

The **No Child Left behind Act** signed by the President of the United States on January 8, 2002 has created new laws regarding how all school districts address many different topics concerning students. One of those changes requires school districts to provide the names, addresses, and home phone numbers of all high school juniors and seniors to recruiters of each military branch.

This is not to be confused with the current selective service information gathered from students after their 18th birthday.

In order to comply with both Federal law of No Child Left Behind, and our local confidentiality policy, we are providing a positive permission slip to return to your student's school office in order to be included in the formation of the student list. If you choose not to share your student's personal home information, they will not be included on the list.

If you wish to review a copy of either the local policy or the federal law, they are available for your preview on the internet at <http://www.cde.ca.gov/nclb/fr/>

If you have any questions please feel free to call your school site to discuss your concerns.

The San Jacinto Unified School District does not provide medical, accident or dental insurance for pupils injured on school premises or through school activities. In accordance with Education Code Section 49472, the District is making available a low cost medical/dental accident insurance program. The purpose of this plan is to provide assistance at a minimum cost to meet some of the expenses for accidental injury. The plan does not provide unlimited coverage, but does offer substantial assistance in the event of injury.

There are two levels of benefits available. The "High Option" is recommended if your child has no family coverage or if your private coverage has a high deductible. All plans are available on a "school time" or "24-Hour" (all day, everyday) basis.

Please visit your child's school office to obtain a detailed brochure/application, or you may obtain one and sign up online at www.peinsurance.com (click on Products, then Student Insurance). Please read the Student Benefits Plan Brochure to select the plan that best meets your needs.

The plan pays the first \$500.00 in benefits in addition to other insurance, which can help you meet your primary insurance deductibles and/or co-payments.

Since the District does not provide medical/dental accident insurance, we urge that serious consideration be given to the program. If you have further questions, please call Pacific Educators, Inc., Student Accident Department at (800) 722-3365 or (714) 639-0962.

Health Insurance Plans

Pacific Educators can now assist people in applying for health insurance plans that meet the guidelines of the **Affordable Care Act** and help you avoid potential tax penalties. These penalties will be increasing each year from 2014-on. Some may **qualify for tax savings and government assistance**. Pacific Educators will be happy to help you get all the potential assistance/subsidies you are eligible for. Please call Pacific Educators or visit their website at www.peinsurance.com click 'products' and then 'health insurance'.

ANTI-BULLYING POLICY

**PARENT
INFORMATION**

PLEASE KEEP THIS PAGE

ANTI-BULLYING POLICY

Every student is entitled to a safe school environment free from discrimination, harassment, intimidation, and bullying.

The San Jacinto Unified School District Policy (BP5131.2) on Bullying can be accessed on the SJUSD website. Copies are available at each school site.

1. San Jacinto Unified School District prohibits bullying. This includes, but is not limited to, discrimination, harassment, intimidation and bullying based on the actual or perceived characteristics set forth in Penal Code section 422.55 and Education Code section 220, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. Bullying is defined in Education Code section 48900(r).
2. School personnel must immediately intervene if they witness an act of discrimination, harassment, intimidation or bullying, provided it is safe to do so.
3. Acts of discrimination or bullying should be brought to the attention of the principal.
4. You may make an anonymous complaint by contacting the principal or Student, Community & Personnel Support at (951) 929-7700 Ex. 4288. If there is sufficient corroborating information, the San Jacinto Unified School District will commence an investigation.
5. Complaints of bullying or discrimination will be considered confidential. However, it may be necessary to disclose certain information in order to effectively investigate.
6. Students who violate the San Jacinto Unified School District's policies on bullying or discrimination may be subject to discipline, including suspension and expulsion.
7. The San Jacinto Unified School District prohibits retaliation against individuals who make complaints of bullying or provide information related to such complaints.

Bullying is defined as the **“Intentional and REPEATED attempt to intimidate, embarrass, or harm another person.”** Bullying can take the form of verbal, physical, social/relational/emotional, or cyberbullying. Cyberbullying is bullying that takes place using electronic technology. Some examples are mean text messages or emails, rumors sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, “ganging” up on one student, or a group of students targeting another group.

STUDENT LEGAL NAME AND INFORMATION

**PARENT
INFORMATION**

PLEASE KEEP THIS PAGE

STUDENT LEGAL NAME AND INFORMATION

California law requires that school districts use students' legal names, not nicknames, in pupil records. The California Code of Regulations, Title 5, Chapter 2, Subchapter 2, Article 3, Section 432 states in part ...records shall include the following:

- (A) LEGAL NAME OF PUPIL
- (B) DATE OF BIRTH
- (C) METHOD OF VERIFICATION OF BIRTH DATE
- (D) GENDER OF PUPIL
- (E) PLACE OF BIRTH
- (F) NAME AND ADDRESS OF PARENT OF MINOR PUPIL
 - a. ADDRESS OF MINOR PUPIL IF DIFFERENT THAN ABOVE
 - b. AN ANNUAL VERIFICATION OF THE NAME AND ADDRESS OF THE PARENT AND THE RESIDENCE OF THE PUPIL
- (G) ENTERING AND LEAVING DATE OF EACH SCHOOL YEAR AND FOR ANY SUMMER SESSION OR OTHER EXTRA SESSION
- (H) SUBJECTS TAKEN DURING EACH YEAR, HALF-YEAR, SUMMER SESSION, OR QUARTER
- (I) IF MARKS OR CREDIT ARE GIVEN, THE MARK OR NUMBER OF CREDITS TOWARD GRADUATION ALLOWS FOR WORK TAKEN
- (J) VERIFICATION OF OR EXEMPTION FROM REQUIRED IMMUNIZATIONS
- (K) DATE OF HIGH SCHOOL GRADUATION OR EQUIVALENT

To avoid problems for students at the time of graduation, registrars must ensure that students' legal names are on diplomas, not nicknames. Using a nickname would also create a problem for students returning to request their transcripts: by law, transcripts must have student's legal name printed on them. Additionally, this could negatively impact important opportunities including scholarships and military enlistment.

VERIFICATION OF BIRTH DOCUMENTS

Verification Documents include:

- Birth Certificate
- County Recorder Certification/Verification
- Passport
- Hospital Certificate
- Baptism Certificate
