

Directions to Beverly Hills High School

Beverly Hills High School
241 Moreno Drive
Beverly Hills, CA 90212

The high school is located between Little Santa Monica Boulevard and Olympic Boulevard, at the east edge of Century City. (The very tall business buildings are Century City).

Enter the high school from Moreno Drive if you are on Santa Monica Blvd., and from Spalding Drive if you are coming from Olympic Blvd. If coming on Spalding, keep to your left alongside the front of the school.

The driveway into the school is closer to Santa Monica Boulevard. (You actually enter the school at the traffic light at the corner of Moreno and Durant Drive.) Enter the driveway on the north side of the Science and Technology Building, and follow the drive around the back of the building. Pass the entry to the student parking lot and proceed to STAFF PARKING. The elevator is directly across the lot from the entrance.

Whew! If you made it this far you're in good shape!! Look for the elevator (it's behind double, steel doors), and go to the second floor. To get to the College Center (Room 290), go right when you come out of the elevator and then make a left at the library. Room 290 is the 3rd door on your left. If you get disoriented, ask anyone you see for Room 290 or the College Center.

Please call if you get hung up in traffic or find you've made a wrong turn and will be delayed.

We're looking forward to your visit!!!
