Important Information about the Online Provider Directory

This online directory was developed to help members easily find participating dental providers. While we strive to provide accurate data, the information contained in this directory may change as participating providers are added to or leave the network.

Prior to receiving services, you should always verify that the provider you choose is still participating in the network and accepting new patients. In order to receive the highest level of benefits, check your schedule of benefits or call the Customer Service number on your ID card to verify your benefits.

This directory is for general information. Dental benefit plans vary, so please consult your benefit plan document to determine what services are covered under your particular plan.
