

THRALL HIGH SCHOOL ATHLETICS

SIGN PROGRAM

Thrall High School Athletics is raising funds to be used for much needed improvements to the Thrall Baseball and Softball facilities. We are asking local businesses to support our efforts by participating in our popular sign program. This is an opportunity for your business to help Thrall High School Athletics in a visible way that will let the students, faculty, parents, and other fans attending the games know of your generous support of Thrall High School Athletics.

The signs will be placed on the outfield fences of the Baseball and Softball fields, in the spring and on the Football field in the fall. The Thrall High School Baseball and Softball fields will host nearly 75 games this spring, and the football field will host over 20 games from Varsity to Youth in the fall. We estimate that several thousand people will view your sign in 2016.

In exchange for your business or family participating in the Thrall Sign Program, we will display a professional 4 foot x 8 foot banner featuring your company's logo at our facilities for a full calendar year.

**THANK YOU FOR YOUR SUPPORT
