

#MyPiratePlan Frequently Asked Questions

- Can I get more than one endorsement?

Yes. You will be asked to select one endorsement, but as time is available in your schedule you may be able to add courses for more than one endorsement.

- Can I take band and athletics all four years?

Yes, but this will probably work best if the endorsement pathway is Fine Arts. You would need to pass all coursework and there would not be much flexibility to allow for changes in the endorsement pathway.

- Can I change my pathway if I change my mind?

Yes. It would be best if the new plan is in place by the beginning of the 10th grade year.
