JOB TITLE: DISTRICT COMMUNITY LIAISON

DESCRIPTION OF BASIC FUNCTIONS AND RESPONSIBILITIES

To serve as liaison between school, District, home, and the minority community; to involve parents of minority students in school and District programs, activities, and goals; to provide specialized biliterate support functions between a specified non-English speaking segment of the community and the school/District by interpreting and translating English/Spanish or English/another designated language as specified by the District; and to direct parents with specialized needs to appropriate community service agencies for assistance. Employees in this classification receive limited supervision from the Superintendent or his/her designee within a broad framework of policies and procedures. This job class provides accurate interpretive and translating services to ensure adequate communications with the community served. This job class requires initiative, motivational, and leadership skills as well as knowledge of and familiarity with the community served; its resources and its people.

TYPICAL DUTIES

- Serves as liaison between school, District, home, and community; meets with parents, particularly parents of minority and diverse ethnic backgrounds to discuss students and school procedures; to involve them in school activities and to generally encourage their understanding and support of school programs

- Translates and transcribes Spanish/English or English/and other designated language to provide effective written communications between District/school, students, parents, and the community

- Interprets and translates Spanish/English or English/and other designated language to provide effective oral communications between District/school, students, parents, and the community

- Visits students' homes as a representative of the District/school; disseminating and collecting necessary information as needed

- Identifies social services available to minority youth and families

- Assists families in the solution of problems which interfere with student success in school and community; directing families to appropriate agencies, medical attention, tutors, etc.

- Strives to improve school attendance among minority students by assessing problems, improving communications, and enlisting support from parents

- Confers with support staff and advises on special problems and chronic situations; attends support staff meetings at assigned schools as required

Revised and approved by the Board of Trustees August 9, 2001
TYPICAL DUTIES (continue)

- Interprets student problems to teachers and school problems to students and parents
