Dear Board of Trustees and Dr. Michael Gonzales,

It was just made aware to me that the Division V Section Wrestling Tournament is on Friday, February 15th and Saturday, February 16th at Lindhurst High School. In order to arrive on time to insure we make weigh ins in time, we would have to leave Linden at around 5:00am. This would not allow the student/athletes on the wrestling team proper rest to ensure them to be able to compete to the best of their ability. The last time the Division V Section Wrestling Tournament was at Lindhurst High School, the wrestling team spent the night on Thursday and Friday night to allow the student/athletes to get the proper rest needed to compete at a high level. I am requesting to do the same this year and have the wrestling team spend the Thursday, February 14th and Friday, February 15th in a town near to Lindhurst High School. Thank you for your consideration.
