

Superintendent of Schools: Annual Salary and Benefits Package

Chapter 474 of the Laws of 1996 require public disclosure of the compensation proposed for certain administrative staff beginning with the 1997-98 school year. The disclosure must be made for the superintendent of schools and for any other school administrator whose annual salary for 2018-2019 will be \$135,000 or more. Because all school administrator salaries in the Le Roy Central School District are below \$135,000, application of this law is restricted to disclosure of the annual salary and benefits package of
