“A place in the sun”

September 2017

Dear Members of the Soleado Elementary School Community,

In order to comply with regulations set forth within the Education Code related to the Single Plan for Student Achievement, it is necessary to conduct an election each year to establish a School Site Council. The Council shall be comprised of the principal, two classroom teachers, one other school employee, and 3 members of the community representing parents of pupils attending the school. Members are elected for a two-year term and we have two parent/guardian openings for the current school year.

The primary function of the School Site Council is to assist in planning, implementing, monitoring, and evaluating the Single Plan for Student Achievement. Meetings are scheduled every few months during the school year. They take place at 1:30 P.M. on an assigned day in the main office.

Nominations are now being taken for those who meet the criteria listed above. Should you have an interest in serving in such a capacity or are aware of someone who might like to consider accepting the responsibility of such a position, please list the name(s) below. The nomination forms are to be returned to the Main Office no later than Friday, September 22nd. An election will take place shortly after that date with the first meeting scheduled Friday, October 27th. If you have any questions, please feel free to contact me at 310-377-6854, ext. 200.

Thank you for your continued support for our students.

Sincerely,

Gina Stutzel
Principal
