

BEVERLY VISTA SCHOOL

March 9, 2018

To Eighth Grade Students and Families:

There are many special activities that have been planned for our eighth grade students to celebrate their completion of middle school. In order to participate in these activities, students must demonstrate good behavior and satisfactory scholarship.

A student may not be eligible to participate in eighth grade activities, including the eighth grade vs. faculty kickball game and picnic if he or she earns three or more N's and/or U's in citizenship on any second semester progress report or report card. A student may also be excluded from activities and the graduation ceremony if he or she earns three or more F's. Furthermore, any student that demonstrates inappropriate behavior at school and/or is suspended from school will jeopardize participation in graduation activities. Beverly Vista School administration reserves the right to make the final decision regarding exclusion from eighth grade activities.

Sincerely,

Mr. Chris Regan
Interim Principal

Mr. Todd Radonsky
Interim Assistant Principal
