

Hawaiian Dress Down Day

Tuesday, May 15

To benefit the
Jennifer Ward Foundation

Miss Ward was a math/technology teacher as well as a cheerleading coach at St. Ann Regional who died suddenly from a cardiac arrhythmia on January 7, 2005.

Her parents and sister established this fund in her memory.

The Fund supports the purchase of automated external defibrillators (AEDs), CPR instruction for our school and staff, and high school scholarships for our students who will attend Wildwood Catholic.

The Fund also donates generously to our drama production every spring.

For a donation
trade in your uniform for the day and
wear something "island style"
