

Design

The Design pathway is dedicated to helping students develop a strong technical foundation as well as the conceptual ability needed for the broader role of the designer in today's society.

Students pursuing the design career pathway can expect coursework and training in:

- Advertising
- Architecture
- Environmental design
- Graphics illustration
- Interior design
- Principles and Elements of Design
- Packaging design
- Illustration
- Transportation
- Logos
- Adobe Photoshop and Illustrator

Learn skills that can help you start a career as a:

- Graphic Artist
- Set and/or Exhibit Designer
- Interior Designer
- Spacial Planner
- Architect
- Mural artist
- Merchandise displayer
- Illustrator
- Art Director for Advertising
- Gallery assistant
- Vehicle designer
- Model maker
- Toy Designer
- Amusement park Designer
- Interior Decorator

This is just the beginning!

The TCHS Design Program is endorsed and supported by:
