

**Vallivue School District 139**

Vallivue School District No. 139 assures its locally developed standards for elementary school student instruction meet or exceed the minimum state standards. Instruction is inclusive of subject matter, content, and course offerings and includes special instruction and learning opportunities for students who are limited English proficient, accelerated, learning disabled, and those with other disabilities.

Vallivue School District No. 139 will provide a core of instruction to include levels of thinking and questioning in the following subjects at the elementary level kindergarten through grade five (K-5) as follows:

1. Language arts and communications will include instruction in reading literature, reading for information, writing; to include proper formation as outlined in district procedures, speaking and listening, and language.
2. Mathematics will include instruction in counting and cardinality, operations and algebraic thinking, number and operations in base ten and fractions, measurement and data, and geometry.
3. Science will include instruction in nature of science, physical science, biology, earth and space sciences, personal and social perspectives and technology.
4. Social studies will include instruction in history, geography, economics, civics and government, and global perspectives.

In addition to the core of instruction set forth above, the district will offer the following instruction to all elementary school students:

Fine Arts (art and music)  
Health (wellness)  
Physical Education (fitness)  
Inquiry, Organization, Collaboration, Note taking
