

St. Clement's School Birthday Book Club

Now is a great time to celebrate your child's birthday by donating a book to the St. Clement's School library in his/her honor. The cost is \$20 to participate. Please make checks payable to St. Clements School Library. Thank you so much for supporting this library fundraiser!

Here's how the program works:

- Complete and return this form to the St. Clements library. Please attach your \$20 with this form (cash or check). If possible, make your request at the beginning of the school year to give the librarian time to select just the right book for your child.
- The birthday book will feature a special book plate with your child's name and birthday. The book will be presented to your child, for them to check out if they choose, near your child's birthday along with a birthday balloon. The book will become a part of our library collection and remain in the library for years to come for all students to check out and read! Summer birthdays will be celebrated during the student's half-birthday (December-February) or during a time that you may designate. For questions, please contact Mrs. Kelly in the library at nkelly@stclements.org

Name of Parent(s): _____ <small>(as you want it to appear on the book plate)</small>		
Student's name: _____
