

Lake Marion High School & Technology Center

High Expectations, High Standards, Unprecedented Performance

Meeting Agenda for December 8, 2016 (1hr 12 mins)

1. Welcome and Thank you for attending. (1)
2. Introductions of any new members. (5)
3. Previous meeting minutes review and approval. (10)
4. Committee Chair Reports and Next Steps
 - Mr. Lemon—School Branding Improvement (15)
 - Where are we on getting District approval to publish Principal's List and Honor Roll in the local papers?
 - Thanks to Mrs. Singh for updating the school website. We now have a link under the parent tab. Soon the minutes will be able to be accessed from there as well as our Agenda for upcoming meetings.
 - New Ideas?
 - Mr. Robinson—Health Fair (15)
 - How is the collection of contact names for different health concerns we want to showcase going? What health concerns do you have info for and what others do we want to showcase?
 - Kick around a possible date in the Spring? Do we still want a Saturday?
 - We should involve the various student groups.
 - The PE department can with help from cheerleaders/athletes create a display on the benefits of regular exercise. Perhaps the Health Plex can be our corporate sponsor for this display/room.
 - The Music/Drama department can with help from their students create a display on the benefits of music/entertainment in our lives. Perhaps the SCBDA and/or Pecknell can be a corporate sponsor for this display/room.
 - Miss Addison—Total Student Body Activity (15)
 - What would we like to see? A talent show? A Walk or Activity for a health concern and have the students get pledges? We could make a day of it as a Field Day. Include all the different student organizations in a competition that suits their organization.
5. Public Comment Time (10)
6. Reminder of next meeting date and Adjournment (1)
