Last year a great young man was lost to a horrific disease. I had to say goodbye to my friend and former classmate, Anthony Swalligan to a heroin overdose. Anthony lived in Ferndale, went to Bishop McCort High School, and graduated in 2011. On February 23rd, 2015 we lost Anthony to his battle with addiction. Many people who knew Anthony through the athletic program and other social events admired Anthony. He was described as an extraordinary young man.

The money raised from this event will be used to make a donation to the Herren Project in Anthony's name, or if we are lucky to raise enough, we will use the funds to actually get Chris Herren to come and give his talk at local high schools.

Please help us meet our goal.
