Greetings Hutchinson Families,

The Norwalk-La Mirada Unified School District has scheduled Middle School Parent-Student-Teacher Conferences for March 19 – 23, 2018. It is our hope to meet with both parents and students during this conference period to provide parent-students with input on academic progress at the end of the third quarter. The third quarter grade will be combined with the fourth quarter as a final Semester 2 grade at the end of the school year.

Please note the suggested time for you to attend. Teachers will meet with parents on a first come first served basis, no appointments are necessary. If you would like to speak to a teacher and are unable to meet during conference hours, please email the teacher or complete a Teacher Call Request Form, available in the school office. If at all possible, please plan to attend during the times noted. It is necessary for your child to attend these conferences with you, as all conferences will be student-led with our teachers providing additional input. A list of classrooms with teacher locations will be posted near the front office.
