Toddler Home Visitation Program

Serving children 18 months through 5 years of age
Offered in English, Spanish & Vietnamese

The International Award Winning Positive Parenting Program (Triple P) curriculum is now part of our home visiting services!

Toddler Home Visitation is a 3-6 month program which utilizes Triple P (Positive Parenting Program) for high-risk children to promote:

- Improved quality and positive relationships between parents and children
- Positive behavior with hands-on practice sessions
- Effective, age-appropriate communication strategies via modeling
- Positive, consistent and decisive ways to manage problem behavior

Primary issues addressed during services:

- Aggressive behavior / frequent temper tantrums
- Establishing positive behavior routines
- Defiance / ADHD – type symptoms
- Attachment / bonding
- Increasing skills of parents to promote strong families
- Promoting good sleeping / nutrition habits

We also continue to offer case management and linkage to:

- Basic Needs
- Dental Home
- Developmental Screening
- Home Safety
- Healthy Feeding
- Immunizations
- Medical Insurance
- Medical Home
- Oral Health Education
