

## Rock Island High School Summer Football

This summer there will be 30 total days of preparation for football (calendar attached). Some of these are weights, fundraisers, camps etc. We understand that things come up and there are also schedule conflicts with other sports, that is why there will be a make-up session in the morning when football is in the afternoon and vice versa. Special circumstances you can contact Coach Hammer. All program members are expected to be present whenever possible, there are some events that are strictly varsity. At the end of the summer we will have an "end of the summer event" This will be a reward for everyone's hard work. The amount of "reward" each player receives will be directly related to how many workouts they attend. Families (Varsity especially) we encourage you to take vacations the week of fourth of July, or on the weekends.

The Rock Island Football program greatly appreciates your support.

If there are any questions or concerns please contact Coach Ben Hammer
