

Tutoring

Free tutoring is available in all subjects on Mondays, Tuesdays and Thursdays in room 217. It begins at 2:45 and ends at 3:45. Students are not required to attend the entire session. Computers, printers, calculators and supplies for projects and reports are available. There will be two or three student tutors and one teacher available to assist you with questions you may have. Everyone is welcome to attend.

Make-up Mondays

“Makeup Mondays” are seven Mondays prior to each mid-term and end-of-term where teachers stay an additional hour after school--from 3:00-4:00 p.m.--to be available for meeting with students and helping them get caught up on their missing work and/or late assignments.
