- We are in the CFCAL – Central Florida Charter Athletic League [www.cfcalfal.com](http://www.cfcalfal.com)
- Please **DO NOT** address the volunteer coaches about play time, please go through the AD. Our coaches are volunteers and here to support the team.
- Parents, please show sportsmanship & leadership in the stands. **Do not address the referees**, let our coaches handle it. Sometimes we are in close proximity to the players. Character from the stands and sidelines is expected. **LET THE COACH HANDLE IT! REPEAT.... LET THE COACH HANDLE IT!!!**

- We are in a very competitive league. Every student will not receive a trophy. Their reward was making the team.
- There are no siblings or carpools allowed to stay during practices. Club 309 is a great alternative if it is an issue.
- **Game Days:** Pick up your student in car line and drive them to the game location. Try to arrive a half hour before game time. **If your student needs a ride, email Coach Clemmer that morning.** Parents are responsible for picking up their student from every game and practice, on time. Alternate pick up plans – Family Dollar/ Early Car line Pick-up.
- **JV games as well as some XC meets may need us to meet at the Dollar General at 78<sup>th</sup> & Madison Ave.** Parents will be notified of this change by Remind text from Coach Clemmer.
- **PLEASE** If you are able to help drive some players to a game, meet or match please fill out the online **SERVE form**. The SERVE form is now done online. I will also need a copy of your driver's license and car insurance. This may be faxed or scanned to me. We always need help in this area and would really appreciate any help you can give.
- **Games start times vary. Please look to the website for further information.**
- Practices will be held on the LLT campus. Please check the website [www.lltacademy.com](http://www.lltacademy.com) for practice information.
- **No Phones allowed at practices.** If you want your student to bring their phone on game days, please fill out the cell phone request sheet in your packet. I cannot have phones in the dressing room or at practice. If your student already had permission to bring their phones, they need to pick it up from the front office **after practice NOT at the end of the school day.** Please review this rule with your student athlete.
- T-shirt sale for friends, family and students of the LLT XC teams.
- **Review other documents online**
- Split into XC teams to meet coaches.
- **PLEASE MAKE ALL ATHLETIC PAYMENTS ONLINE AT SCHOOL PAY.**
- **Your student athlete will not receive their uniform until the payment is made in full, online.**
- **The cost to play each sport at LLT is \$100.00 for each sport with the exception of cheer.**
