## THANK YOU VOTERS!

Dear Patrons,

Our school board and I want to thank the Columbia School District community for their overwhelming support in passing the construction bond. This Valentine's Day gift to the students and staff in our district will largely go towards remodeling our elementary multipurpose room into a dedicated cafeteria, adding staff bathrooms, adding new elementary classrooms, and constructing a new gym. (As we put one of the harshest winters in memory behind us, we are more mindful of the importance of a gym—it will allow our elementary students to run, play and learn in a quality indoor space as needed!)

We also want to extend a sincere thank you to co-chairs Duane and Kristi Szendre and Jake and Fran Waters, and the bond committee members for their vision and perseverance. These co-chairs and many others gave freely of their personal time and worked tirelessly to bring the vision of renovating the elementary and other projects to reality.

Finally, over the years our community built quality school buildings for the education of our students. For example, our 1953 school building, which first served as a high school and now as Columbia Middle School, is a testament for the quality buildings that our community envisioned and built. Now, the renovations to the 50-year-old east wing of our elementary school will help continue the tradition of building quality school buildings for our students, their families and our community. Again, thank you, voters, for your support and vision for housing our students now and for years to come.

Sincerely,  
Lou Gates, Superintendent

## THANK YOU!

The ASB officers from Columbia High School would like to thank all of the community members who purchased "Coyote Memorabilia" raffle tickets this winter at our home basketball games. This service project was planned by our Spirit Commissioner, Alexis Magallon, and carried out by Alexis and our ASB Treasurer Michelle Vargas. The project raised \$436 over the 10 home basketball games! The plan is to present a check in this amount to Animal Control Services to be used to help serve homeless dogs and cats in the Columbia Basin. Great job Alexis and thank you to all who purchased tickets!

## Eagle Scout Project

Columbia High School student, Ethan Lott, would like to invite his fellow Coyote community members to take part in his Eagle Scout service project. Ethan has placed collection boxes in each of the school buildings where you can donate new or gently used socks, shoes, and coats for the Tri Cities Union Gospel Mission. This cold winter has been a vivid reminder of how important these items are. To donate, please bring your items to one of the school buildings by Friday, March 3<sup>rd</sup>.

## Food Service Program Input

Columbia School District and Sodexo support student engagement and achievement by providing fresh, nutritious, and tasty meals customized to the diverse needs and desires of the student body. Please email [food.service@csd400.org](mailto:food.service@csd400.org) with any comments or concerns, now through March 15, 2017.
