Lǎoshī xīnshǎng zhōu Semana de apreciación docente

May 7 thru May 11, 2018

Holly Avenue Teachers and Staff ARE AMAZING! Let's celebrate and show them how much we appreciate all their love and care, hard work, patience, and the time they take to guide and teach the Holly Avenue students.

We would like to invite all parents and students to show extra gratitude to teachers and staff this week.

Here are some daily themes/ideas for the week, if you choose to join in. You simply bring the gifts each day to your teacher. Participation is voluntary – items do not have to be purchased or expensive; handmade items – things from the heart are always appreciated and treasured as well. You may also pick and choose which days you join in or you may bring your teacher something that is not mentioned below.

Ways to show appreciation to your teacher:

- | | |
|-----------------|---|
| May 7th | <u>Marigold Monday:</u> Flowers or Plants (fresh or handmade) |
| May 8th | <u>Tinkering Tuesday:</u> Art Creation handmade or purchased |
| May 9th | <u>Writing Wednesday:</u> Have your child write a thank you note |
| May 10th | <u>Thankful Thursday:</u> Give a gift or gift card (Starbucks, Target, Staples, Lakeshore Learning Center, Paco's, Togo's, etc.) |
| May 11th | <u>Fabulous Friday:</u> School Supply Item(s), something with your teacher's favorite color or sports team on it (if you know it)! |
