California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement - Most Recent Year

Adams Middle School is located in North Redondo Beach and has been servicing the community since 1955. It receives students from four feeder schools and has a current enrollment of 1002 students. Adams' population consists of students in grades 6th, 7th and 8th. As one of two middle schools in Redondo Beach, its community takes pride in its diversity and the excellent educational program it offers its students.

Adams' mission is to provide a challenging and rigorous curriculum in a safe and positive environment where students can flourish. Its programs are student-focused and designed to support academic, emotional and social development and growth. Our highly-motivated students strive for academic excellence, and opportunities to pursue individual interests in foreign languages, music, band, drama, extra-curricular clubs and sports are provided. Adams participates in a block schedule, mirroring that of Redondo Union High School, and ensuring instructional time is maximized.

Adams Middle School staff is comprised of highly-trained teaching professionals who are dedicated to providing a safe, healthy, and supportive environment where students work and achieve together. Our students are inquisitive, collaborative, talented and empowered to take control of their learning as we prepare them for success in high school and beyond.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	61.0%	68.0%	44.0%
Mathematics (grades 3-8 and 11)	50.0%	55.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement - Most Recent Year

Adams Middle School has a supportive community, an active Parent Teacher Student Association (PTSA), a School Site Council, an English Language Advisory Committee (ELAC) and a Wellness Council that work in unison with the faculty to provide a safe and supportive environment for its students. In addition to the aforementioned, parent volunteer opportunities include special school events and activities such as Career Day, Greek and Renaissance Days, Fall Fitness Festival, Running Club, Hands-on-Art, field trips and fundraising activities. Adams is fortunate to have a parent base that realizes the importance of working in partnership with their children's school. Please call the school office at (310) 798-8636 to inquire about volunteer opportunities.

School Safety Plan - Most Recent Year

The Redondo Beach Unified School District has developed Comprehensive School Safety Plans and coordinated school crisis response procedures in partnership with law enforcement and emergency response organizations. The Comprehensive School Safety Plans meet the requirements of the annual Safety Plan Process under California SB 187. As stated in SB 187, school safety plans are updated annually with participation from staff and additional stakeholders in a School Site Council.

District schools have also developed a "Grab and Go" guide to supplement the Comprehensive School Safety Plans. The Grab and Go guides detail teacher and staff procedures in an actual emergency, in addition to site emergency response teams.

Professional Development – Most Recent Three Years

The Redondo Beach Unified School District is focusing staff professional development (PD) in three main areas: effective instructional strategies aligned to Common Core State Standards (CCSS) at school sites; use of technology in instruction; and the implementation of Positive Behavioral Intervention and Supports (PBIS) in all schools. While the current PD does focus on instruction and curriculum in mathematics and English Language Arts (ELA), the RBUSD is also developing PD for the Next Generation Science Standards (NGSS) and social science standards.

The RBUSD is engaged in a multi-layered approach to delivering PD. The District provides PD through: teacher release time; conference attendance; one-day workshops; mentoring; and after-school, "early out" days. The elementary schools utilize weekly collaborative planning time through the implementation of a School Instructional Leadership Team and grade level leads.

The use of student data is critical to better assess and support individual student development. The District provides training on our student data management, Illuminate Education, to analyze individual and aggregate student progress. Elementary teachers and secondary math teachers utilize the Tenmarks math program both to assign and assess student performance. All of the above teachers have had PD training on the Tenmarks program.

Internal PD offerings are supplemented by partnering with external professional development organizations, including universities such as LMU and UCLA. Our partners advise on the District's program development and provide PD for teachers and administration on instructional programs for all students.

The District is designing a teacher coaching model in concert with the Redondo Beach Teachers Association to mentor teacher development in: differentiating instruction; developing CCSS aligned lesson plans; as well as English Language Development aligned instruction strategies to better support our English Learner student population.

Our new teachers are supported at school sites and at the District level through the Beginning Teacher Support and Assessments (BTSA) Program where each new teacher is mentored by a BTSA support provider. By working within BTSA, a new teacher receives support and resources to improve their teaching pedagogy.

Through the collective bargaining process, additional paid professional development days have been added to the teacher work calendar (1 additional day in 2015-2016, 2 additional days in 2016-2017 and 2017-2018).
