Rules that All CNHS Students Should Know

1. **Dress Code policy** – No, you cannot just wear whatever you want to school. To be allowed to class you have to be dressed appropriately, according the Dress Code guidelines. Please review the CNHS Dress Code in detail so there are no excuses.

2. **Fighting** – “Fighting will result in an automatic 3 day out of school suspension.”...Maybe more depending on the situation. This applies to both the person who hit first and the one that hit back.

3. **Disrespect** - Making inappropriate gestures, comments, insults, using offensive language to your classmates or staff. And/or lying or giving misleading information to school staff.

4. **Bullying, Harassment & Intimidation** – “Bullying, harassment, and intimidation are serious and will not be tolerated. Bullying, harassment & intimidation mean any intentional conduct, including verbal, physical, written...or intentional electronic communication that creates a hostile educational environment.” Baltimore City Schools takes this as serious as fighting and we will too. Bullying, harassment & intimidation will lead to a suspension, it has also lead to students being removed and transferred from school.

5. **Weapons & Explosives** – toy guns, cap guns, knives, box cutters, razors, mace/pepper spray and firecrackers will result in long term suspension (10-45 days).

6. **Absences and early dismissals** – “Students cannot leave campus during the school day without prior written consent from their parents.” A phone call will not do, we need a letter from a legal guardian prior to any student leaving early.

7. **Jupiter Grades**– Jupiter Grades is an online grading program. Teachers will post grades within two weeks of the date the assignment was due. We expect students and families to use Jupiter grades as a means to help communicate with teachers and find out about school assignments.

8. **Cell Phones & Technology** – We don’t condone cell phone use in class nor do we condone students plugging in and recharging cell phones. We are not responsible for lost cell phones and we strongly urge students to keep cell phones on their person or in their locked lockers. Please remind your parents to contact the main office if they have an emergency.

9. **School Entry & Dismissal** – students are to enter and dismiss through the main entrance of the school located on the Ground Floor. We do not want students entering/exiting through any other doors including those on Sefton Avenue. For safety reasons please do not use any other exit.

10. **Campus Use** – students are allowed to play football in the rear parking area as long as cars are not parked there. Please no throwing footballs, etc. in front of the school. As for skating of any kind, students are not allowed to skate on campus anytime that the elementary or high school is in operation, before, during or after school.
