SUBJECT: **Online Bus Stop and Schedule Information**

As part of the Hawaii State Department of Education's (HIDOE) ongoing effort to modernize Hawaii's pupil transportation system, the Student Transportation Services Branch has launched a bus stop locator/bus schedule information web application called Infofinder i, which can be found at [www.hawaiischoolbus.com](http://www.hawaiischoolbus.com). This system enables parents and school officials to search for the nearest school bus stop to a home address. The system also provides morning pick-up and afternoon drop-off times for all school grade levels.

The Infofinder i landing page will prompt users to select their home state (Hawaii) and then their home education system (Hawaii Department of Education). Next, the user will enter a residential address and have the option to modify their school search selection via a dropdown menu. Results are displayed in a list and map form.

The Infofinder i web address, [www.hawaiischoolbus.com](http://www.hawaiischoolbus.com) will be posted on HIDOE's website. Schools are highly encouraged to post the link in a *prominent location* on the school website so that parents and guardians can use the application to access this information online instead of calling the school office.

Should you have any questions regarding this announcement, please contact your local district transportation office. You may also contact James Kauhi, Acting Student Transportation Services Administrator, at (808) 586-0174 or via Lotus Notes.
