**Student Name:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Student is in the 11<sup>th</sup> grade:**  YES       NO

Graduating as an Innovative Scholar will differentiate students from other competitive candidates as they prepare to apply for University Admission. Upon graduation, students will receive an award of distinction once they have met the requirements for the program as outlined below.

- Complete 4 Semesters of a class with a B+ or better in the cluster/major of their choice.
- Complete 50 hours of internship or volunteer work in their cluster/major field. Hours must be completed by the end of 11<sup>th</sup> grade. No scholar may work on hours during 12<sup>th</sup> grade.
- Complete a culminating project which will be similar to a miniature thesis. The project will be presented to a faculty panel reflecting on their field experience.
- Students must submit an application at the end of 11<sup>th</sup> grade to apply to the Innovative Scholar program. Once students are accepted, they may present the award in their University Applications.
- Prior to beginning internship / volunteer work, program must be approved by Advisor and Director of Educational Services.

**Elective Concentration:**
