

## 2017-18 WHS Student Parking Regulations

We are excited that many of our students are at a stage in school where they are able to drive to and from the high school. This is a huge privilege and if handled responsibly can be something that helps with student learning and further involvement with extracurricular activities. Please read and familiarize yourself with the Student Parking Regulations for Weatherford High School. If at any time a student is unable or unwilling to follow the regulations, driving privileges and/or permit will be revoked.

### Parking Registration/Cost:

All vehicles parked on school property must be registered. To register a vehicle, student will need to complete a registration form, provide proof of valid insurance, have a valid driver's license and pay the permit fee. This needs to be turned into Mrs. McMurtrey in the Admin B office. Once approved, the student will receive a window sticker with their permit number on it. This needs to be in the vehicle window at ALL times. The cost of a parking permit is \$50 per school year. If students are unable to drive until later in the school year, the price will be prorated. If a student drives a vehicle other than the primary vehicle, they must obtain a temporary parking pass from Admin B the morning the vehicle is driven. They will need to let us know the make/model and license plate number of the vehicle they are driving. If a student fails to obtain a temporary pass, they are responsible for any parking tickets received for not having a parking permit. We do not offer refunds for early graduation or if a student checks out of school prior to the end of the school year. *Students are required to register their vehicles each school year.*

### Permits:

The permit sticker must be displayed in the primary vehicle's window at ALL times. Permit sticker should be placed on inside of windshield above the car's inspections sticker (on driver's side). Failure to display sticker appropriately may result in a parking ticket. If a student drives a secondary vehicle to school, they must get a temporary pass from Admin B office before school starts. This pass will hang from the rear-view mirror. If they don't get a pass, they will be responsible for any parking tickets received. Replacement permits will only be issued with the return of the old permit. Otherwise, the student will be required to purchase a new permit.

### Parking Spaces:

Students are only allowed to park in General parking spaces which are first come/first serve. These spaces are marked with white lines. Parking spaces in yellow are reserved for seniors only. No students are assigned parking spaces with the exception of seniors. Students caught parking in any other colored space, which are reserved for administration, faculty, handicap or visitors, will receive a parking ticket. Students are NOT allowed to park near the Ag barn or at the church. A map of the available parking spaces for students can be reviewed in Admin B.

### Fines and towing:

Parking tickets are given out to vehicles that do not have a permit sticker, a temporary pass or are improperly parked (taking up 2 spaces, parked in reserved area, blocking driveway, etc). Fines can be paid in Admin B before and after school, and during lunch. If a student has unpaid fines, they will not be allowed to exempt from final exams. If a student gets 3 or more tickets, their vehicle may be booted or even towed at owner's expense. WHS uses Miller's Towing:

712 N. Main Street, Weatherford, TX 76086 817.341.1133

WHS is not responsible for any damages to vehicles that occur on campus as a result of booting or towing.

### Expectations/Understanding:

Students are to exercise the utmost caution driving in the school parking areas and must observe the maximum speed of 10 M.P.H. Students are expected to follow all one-way signs, arrows and stop signs. Student drivers or passengers who endanger the safety of themselves or others will be subject to disciplinary action, which may include the loss of driving or parking privileges on campus. Permits may be revoked for abuse of specified rules. Be cautious at all times. There is not a right of way in the parking lot. It is recommended to slow down at every intersection and look for oncoming vehicles. Failure to follow parking attendant directions and/or running through a stop situation can result in loss of parking privileges.

A student assumes responsibility for damages to his/her vehicle while parked on school property or at a school function. Student vehicles parked on school property are under the jurisdictions of the school. Students have full responsibility for the security of their vehicles and must make certain they are locked or that the keys are not given to others. Students will be held responsible for any prohibited objects of substance, such as tobacco products, alcohol, drugs, and/or weapons

which are found in their cars and will be subject to disciplinary actions accordingly. School officials may search any vehicle any time if reasonable cause exists. Students who have failed to purchase a parking permit will be towed after a reasonable time for purchasing a permit has passed.

Additional Parking Regulations:

- Cars are to be parked in front-end in position and only take up 1 parking spot.
- Moving your vehicle around parking lot during school hours is not permitted.
- Students need to enter the building once they arrive at school and leave the parking when school is dismissed. Loitering in or around the parking lots is not permitted.
- Students are not allowed to go to their car during passing periods or during lunch break.
- Parking lot attendants are employees of Weatherford ISD and should be treated with respect at all times. Parking lots attendants will be assisting in the enforcement of the parking regulations for WHS.
- Students must have a valid driver's license and not just a permit to be eligible to drive to school.
- Student must keep Admin B updated with current insurance and license plate numbers.

Senior Parking:

If seniors want a reserved parking space, they can get a Senior Parking sticker which displays the parking space number assigned to them. Seniors are also able to paint their reserved parking spot for an additional \$25. Senior must submit the Senior Parking Design application, a drawing of the design and the \$25 fee to Admin B for approval. Painting can begin only after design is approved. Student is responsible to paint their spot gray at the end of the school year. Student must follow the rules & regulations listed in the application for painted parking.

## 2017-18 WHS STUDENT PARKING PERMIT REGISTRATION

Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_

\_\_\_\_\_ (Last) (First) (MI)

Address: \_\_\_\_\_

**Regulations for Senior Parking Design space:**

\*Seniors are provided the opportunity to paint their spot for a fee of \$25 (this is in addition to the \$50 parking permit fee).

\*You will need to submit your drawing proposal to Admin B for approval BEFORE painting is started.

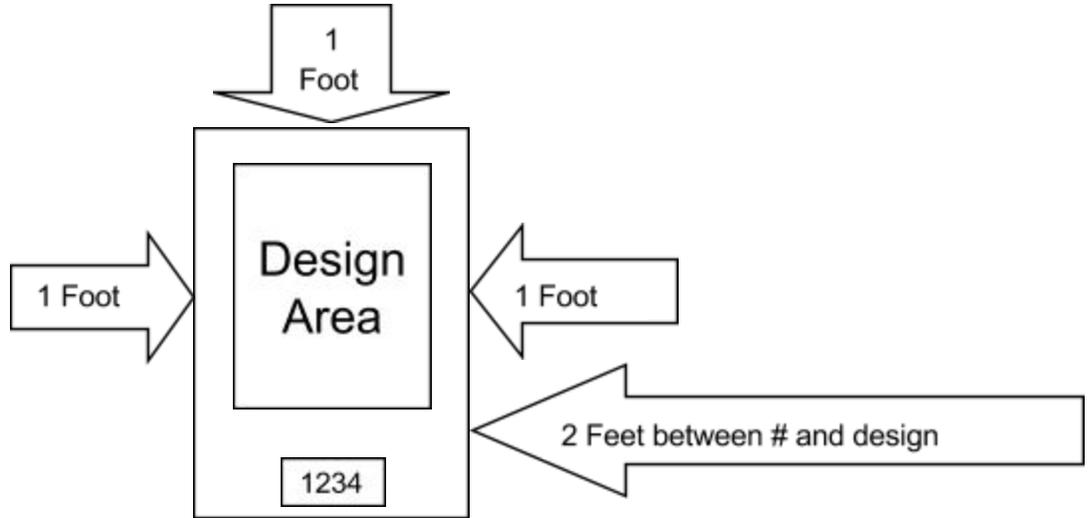

\*All designs must adhere to SCOC (Student Code of Conduct) expectations. Parking spots will be monitored and photographed to ensure standards and expectations are being met.

\*You must use latex paint. NO OIL BASE PAINT ALLOWED

\*You are responsible to paint over your design at the end of the school year. You must use latex, gray colored paint. A notice will be sent to you in the spring giving you the date it must be completed by. If it is not done by that date, you will be fined \$50. As with all fines, you will not be able to exempt from finals or receive your diploma until all fines are paid.

\* You are only allowed to paint the area described in the picture below.

\*All fees and paperwork need to be turned in to Admin B office. There are no refunds once you have paid the fee.

*I have read the Regulations for Senior Parking Design space and will abide by these regulations and the SCOC.*
