

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

## Ralph E. Hawes Elementary

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/). For additional information about the school, parents and community members should contact the school principal or the district office.

## I. School Information

### Contact Information (2010-11 School Year)

This section provides the school's contact information.

School		District	
<b>School Name</b>	Ralph E. Hawes Elementary	<b>District Name</b>	Huntington Beach City Elementary
<b>Street</b>	9682 Yellowstone Dr.	<b>Phone Number</b>	(714) 964-8888

### Principal's Message (2009-10 School Year)

This section provides information about the school, its programs and its goals.

Hawes School is a Learning Community--where all participants--students, staff, and parents are responsible for learning. We are committed to ALL students succeeding in a rigorous core curriculum. The following vision/mission will build our actions within a safe, friendly, and joyful learning environment.

WE BELIEVE that, with strong home and school support, all students can successfully acquire the skills needed to become lifelong learners.

WE BELIEVE in a school climate that is built upon a foundation of teamwork collaboration, and mutual respect among all groups. We are a professional learning community.

WE BELIEVE that an environment that supports risk-taking, creativity, and openness to new ideas and technologies is essential to our vision of success.

WE BELIEVE that positive self-esteem and a strong sense of social responsibility are goals for every student.

WE BELIEVE that students will love learning and be challenged to reach their highest potential when their natural curiosity and creativity is stimulated.

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

WE BELIEVE in aiming for the remarkable. We will set ambitious goals and strive to achieve them.

The hawk's flight symbolizes our vision for children...to soar, to experience joy and freedom, and to apply strength, grace, and a keen eye to a noble purpose.

Hawes School is a regular education school serving grades K-5. We also serve 5 classrooms of severely handicapped special education pre-school students. This is a unique setting with a student body of just over 740 students and a staff of close to 100 adults. Hawes students are very aware of each other's unique differences and are sensitive to those individuals with special needs. We are proud of the warm environment and unique culture embedded with mutual respect and high academic expectations.

Built in 1974 and modernized in 2005, Hawes School is an attractive and inviting place. It is located in the center of our community of mostly single-family homes, and serves as the focal point of our community.

Hawes enjoys active and supportive families and exceptional teachers. We emphasize student achievement, independent thinkers and good citizenship.

## Parental Involvement (2009-10 School Year)

This section provides information about opportunities for parents to become involved with school activities.

<b>Contact Person Name:</b>	Stephanie Klauss	<b>Contact Person Phone Number:</b>	714-963-8302
-----------------------------	------------------	-------------------------------------	--------------

Parents and the community are very supportive of the educational programs at Hawes School. The Hawes School PTA has made generous contributions of time and money to numerous programs and activities. PTA fundraisers enable the school to enrich classroom learning experiences through donations that support assemblies and field trips and/or purchase instructional supplies. During the school year, parents volunteered for the following activities:

- Reading Counts
- Classroom centers
- Technology assistance
- Sports Day
- PTA family fun nights

The school also has received generous contributions made by Huntington Beach Education Foundation. The Huntington Beach Education Foundation, a joint business and educational partnership, provides funding for teacher mini-grants, classroom speakers, supplemental materials and supports the Parent Empowerment Academy.

## Average Class Size and Class Size Distribution (Elementary)

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Grade Level	2007-08				2008-09				2009-10			
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms

Native Hawaiian or Pacific Islander	1.0%	n/a	--

## II. School Safety and Facilities

### School Safety Plan (2009-10)

This section provides information about the school's comprehensive safety plan.

<b>Date School Safety Plan last reviewed:</b>	<a href="#">Click here to enter text.</a>
-----------------------------------------------	-------------------------------------------

Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check in at the school office upon arrival and obtain a visitors badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, yard supervisors and teachers monitor students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment.

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

The Comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment.

Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and district staff in the fall, at the start of each school year. The plan was last updated and reviewed with school staff in September 2005.

The district progressively addresses structural needs at each school to ensure facilities are safe and comply with education codes as well as building and safety regulations. A \$30 million bond (Measure DD) combined with a \$17 million Prop 47 allocation provide the necessary funding for districtwide modernization efforts. Hawes School is projected to receive an apportionment of \$2.2 million for its upgrades and modernization projects.

Recent improvements at the Hawes campus include modernization of student restrooms, resurfacing of the kindergarten playground, installation of a new phone system, expansion of the front parking lot, and upgrade of the electrical system in the classrooms.

## Suspensions & Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
<b>Suspension Rate</b>	0.0%	0.0%	0.5%	5.0%	2.0%	4.0%
<b>Expulsion Rate</b>	0.0%	0.0%	0.0%	0.0%	0.0%	0.0%

## School Facility Conditions

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

Hawes School, built in 1974, consists of a main building with administrative offices, computer lab, indoor court yard/lunch area and 23 classrooms. The site has 12 portable classrooms, including a library, that were added during the 1990's. The YMCA also has 2 portable buildings used for before and after school child care.

Portable building 38 received a new roof.

Interior and exterior lighting was upgraded with more efficient lighting in all areas. Lighting sensors were installed in all classrooms and restroom buildings.

Facilities are inspected continuously by custodial and maintenance personnel and work orders are submitted as needed.

# School Accountability Report Card

Reported for the 2009-10 School Year

Published During 2010-11

## Planned Improvements (2010-11 School Year)

A solar array located on the field at the edge of the playground area in the back of the school will provide shade and 88.8 kW DC of power for the site. This project is part of a District-wide energy conservation project financed from energy savings, rebates and California Solar Initiative incentives. The project will result in net savings to the general fund.

All HVAC equipment on the main building will be replaced during summer 2011 and roofs repaired.

## School Facility Good Repair Status (2010-11 School Year)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Item Inspected	Repair Status			Repair Needed and Action Taken or Planned

## III. Curriculum and Academics

### Quality, Currency, and Availability of Textbooks and Instructional Materials (2010-11 School Year)

This section provides information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Pursuant to the settlement of Williams vs. the State of California, Huntington Beach City School District thoroughly inspected each of its school sites at the start of the 2008-09 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

### Textbook and Instructional Materials List

Textbooks and instructional materials used in the district in the core subject areas of English-Language Arts, Mathematics, Science, and History-Social Science.

Subject Area	Textbook Title and/or Publisher	Year of Adoption
English-Language Arts	Houghton Mifflin	2003
History-Social Science	Scott Foresman - K-1, Houghton Mifflin - 2-5	2007, 2007
Mathematics	Houghton Mifflin	2002
Other	The Medallion Edition	2009
Science	Pearson Scott Foresman	2008

### Availability of Textbooks and Instructional Materials

This table displays information about the percent of pupils who lack their own assigned textbooks and instructional materials

Core Curriculum Area	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	0.0%

N.A.

## Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>.

## California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	20.8%	33.3%	31.2%
7			
9			

## Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

## API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	9	10	10
Similar Schools	3	4	4

## Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years.

Group	Actual API Change		
	2007-08	2008-09	2009-10
All Students at the School	23	13	17
Black or African American	--	--	--

## Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page <http://www.cde.ca.gov/ta/ac/ay/>.

## AYP Overall and by Criteria (2009-10 School Year)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

	School	District
<b>Overall</b>	Yes	No
<b>Participation Rate – English-Language Arts</b>	Yes	Yes
<b>Participation Rate – Mathematics</b>	Yes	Yes
<b>Percent Proficient – English-Language Arts</b>	Yes	Yes
<b>Percent Proficient – Mathematics</b>	Yes	No
<b>API</b>	Yes	Yes
<b>Graduation Rate</b>	N/A	N/A

## Federal Intervention Program (2010-11 School Year)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District

## IV. Teachers & Support Staff

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2007-08	2008-09	2009-10	2009-10
<b>With Full Credential</b>	28	29	32	289
<b>Without Full Credential</b>	0	0	0	0
<b>Teaching Outside Subject Area of Competence</b>	0	0	0	13

### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicators	School		
	2008-09	2009-10	2010-11
<b>Misassignments of Teachers of English Learners</b>	0	0	0
<b>Vacant Teacher Positions</b>	1	0	0
<b>Total Teacher Misassignments</b>	0	0	0

### Core Academic Classes Taught by No Child Left Behind Compliant Teachers (2009-10 School Year)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes in Core Academic Subjects

## Professional Development

This section provides information on how teachers and staff are trained for instructional improvement.

All training and curriculum development at Hawes School revolves around the California State Content Standards and Frameworks. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Huntington Beach City School District regularly collaborates with all levels of district and school site staff when developing professional development activities in alignment with the No Child Left Behind Improving Teacher Quality Expectations. Instructional program improvement is driven by student needs and guided by state standards and frameworks. District and school administrators use site trend analyses, state testing, district-level assessments, teacher response, and administrator observations to identify more effective methods and strategies to achieve positive results for teachers and students.

The Assistant Superintendent of Educational Services and principals meet monthly to analyze current instructional programs, instructional materials, implementation timelines, and student achievement. Feedback is gathered at

the site level through direct input and staff observation. Periodic Curriculum Development Committees are formed to address identified areas of need and focus. In the 2005-06 school year, three mandatory staff development days were held during the school year. District-level training activities and professional development revolved around the new language arts textbook adoption and differentiated instructional strategies to meet the needs of all students.

In alignment with the districts long-range curriculum plan, staff development opportunities are available for teachers, support personnel, administrators, and classified staff. A staff development budget has been established and staff requests to attend professional development programs are evaluated by a peer committee on the basis of their alignment with focus areas. Recent focus areas for staff development covered the Datawise computer system, Professional Learning Community, and the 40 Developmental Assets.

Success in reading and language arts is embraced as a fundamental expectation for all Hawes students. Teachers combine their knowledge of how students learn with the best teaching practices found in state frameworks and task force reports to provide a rigorous and comprehensive core curriculum for all grades. The school has focused extensively on reading and language arts in the area of staff development. Recent topics included the schoolwide implementation of the Nancy Fetzter Writing Program and the Dynamic Indicators of Basic Literacy Skills (DIBELS) assessments in grades K-3.

A portion of our school funds is used to enable staff members to attend teaching seminars and other events designed to enhance their teaching techniques and expand their knowledge base. Teachers new to the profession are supported by peer coaching and are encouraged to attend in-services offered by the West Orange County Consortium for Special Education or education consultants. Teachers are encouraged to attend subject-specific seminars and major conferences and share what they learn with other staff members. The Beginning Teacher Support and Assessment (BTSA) program offers additional support and opportunities to new teachers. The program is designed to assist those new to teaching to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students.

Classified staff and instructional assistants are provided training and development opportunities at the school, district, and county levels. Inservices for classified staff are geared to their specialty areas.

## Professional Development Days

This table displays information on the annual number of school days dedicated to staff development for the most recent three-year period.

Indicator	Professional Development Days		
	2007-08	2008-09	2009-10
Annual number of school days dedicated to staff development	3	3	3

## Academic Counselors and Other Support Staff (2009-10 School Year)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	N.A.	Click here to enter text.
Counselor (Social /Behavioral or Career Development)	.44	--
Library Media Teacher (Librarian)	N.A.	--
Library Media Services Staff (paraprofessional)	.33	--
Psychologist	.53	--
Social Worker	N.A.	--
Nurse	N.A.	--
Speech/Language/Hearing Specialist	1.4	--
Resource Specialist (non-teaching)	N.A.	--
Other	N.A.	--

## V. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (2008-09 Fiscal Year)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

<b>Percent Difference – School and State</b>	--	--	33.6%	1.9%

## Types of Services Funded (2009-10 Fiscal Year)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Gifted and Talented Education(GATE)Program cluster classes are provided for grades 2 through 5 for GATE identified students.

The Beginning Teacher Support and Assessment (BTSA) program offers additional support and opportunities to new teachers. The program is designed to assist those new to teaching to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students.

For experienced teachers, the Peer Assistance and Review Program utilizes the district’s veteran teachers as “consultants” to assist with staff development districtwide, with a particular focus on teacher needs.

Students are encouraged to participate in our school’s extracurricular and enrichment activities that are an integral part of the educational program. These schoolwide and classroom incentives promote positive attitudes, encourage achievement, and aid in the prevention of behavioral problems. Extracurricular and enrichment activities include

- Reading Counts
- Visual and Performing Arts Activities
- Schoolwide Reading Award Program
- Meet the Masters
- Gifted and Talented Education (GATE) Cluster Classes

Our staff members have worked together to initiate numerous programs that promote a positive learning environment. Certificates and various other awards are given to students throughout the year. “Super You” awards are given to students who demonstrate positive behavior above and beyond the norm.

Principal Awards are presented by the principal to students in their classrooms each Friday. A schoolwide morning flag assembly is conducted each week where students and adults are recognized for specific achievements. Character awards are given to student demonstrating positive behavior traits at a monthly schoolwide awards assembly. Lasses take turns in selecting a patriotic song to sing at the Thursday assemblies and leading the flag salute. A “Citizen of the Month” is honored from each classroom and the assembly is conducted with a rousing rendition of the “Hawes Hawk School Song.”

## Teacher and Administrative Salaries (2008-09 Fiscal Year)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Range	District	State Average for Districts in the Same Category
Beginning Teacher Salary	\$41,284.00	\$41,988.00
Mid-Range Teacher Salary	\$77,732.00	\$68,649.00
Highest Teacher Salary	\$94,808.00	\$87,156.00
Average Principal Salary (Elementary)	\$116,746.00	\$109,026.00
Average Principal Salary (Middle)	\$116,112.00	\$112,489.00
Average Principal Salary (High)	\$0.00	\$113,872.00
Superintendent Salary	\$215,494.00	\$181,890.00
Percent of Budget for Teacher Salaries	45.4%	42.5%
Percent of Budget for Administrative Salaries	5.7%	5.5%

## VI. Data and Access

### DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
