

SRV Homecoming

Homecoming Float Class of 2021 - Build Schedule

Dear SRV Class of 2021,

Welcome to SRV homecoming season! This is a great time for the freshmen class to come together, meet new friends and bond while building an incredible freshman homecoming float. This year's theme is "Kickin' It Old School". All of the floats are based on well-known high schools from the big screen, the freshmen's theme is "Seven Seas High School" from "Suite Life on Deck." Think, A LUXURY CRUISE SHIP, a classroom at sea, living the "SRV Suite Life On Deck!" The freshmen are really excited about this theme and since it's their first homecoming float build, they need lots of help and manpower!

Join us for a KICKOFF MEET GREET & TREATS this Wednesday, September 20th 5:30PM-6:30PM at the build site. Come meet the team, see the design of the float. The freshmen officers and Parent Leaders will be onsite and available answer questions. RSVP below so we know who is coming!

Build Site 3 Parrot Place, Danville off La Gonda Way across from St. Isidore's and behind the Montessori school

Remember to keep our location SECRET!

Building starts Sunday September 24th, WE NEED TOOLS and "WOLF POWER!" The students will log hours worked on the float and the students that have put in the most "WOLFHOURS" will have the opportunity to ride on the float in the parade through downtown Danville on October 13th, space permitting. Please click on the link below to the Sign Up Genius materials page and sign up for as little or as much as you can help out!
