Step 2 Once logged in, click on the **Student Eagle Advisor tab**. Online Orientation is listed under **Pre Registration**. **Please note:** If this is your first time logging in, you may be prompted to change your password. Change your password and click on the **Student Eagle Advisor tab** and proceed with the online orientation.

Step 3 Review all the materials of the Online Orientation in each section – **READ** through all the information presented to you by **clicking on the arrow** at the bottom of each page **until you get to the next section**, read each section until all sections have been read. You will be responsible for all the information presented, so please read through the materials carefully.

Step 3 After you have finished reviewing the materials in each section of the Online Orientation, take the quiz at the end of each section and at the end.

Congratulations! You have completed your Online Orientation!

The next step is to complete the Assessment process.

The Assessment is done in the Assessment Center on any campus: MVC, TEC, SJC or SGPC
Assessment services are done on a walk-in basis but **be sure to confirm the hours for each center by visiting the Website at:** www.msjc.edu/assessment Click on the MSJC campus Assessment center you wish to visit for the Assessment schedule.
