

SCHOOL SITE EMERGENCY MANAGEMENT ORGANIZATION CHART

This chart can be expanded or abridged to meet the scope of the incident that is being managed.

This chart shows the management organization for the school's response to an emergency. **The other members of the staff assigned to various elements of the emergency will report in to the people listed on the chart.**

If no one is assigned to a position, it is assumed that the person who manages that position is keeping, and doing, the responsibility for the unfilled position.

The Standard Emergency Management System

*Note: This Organization Chart is based on SEMS, and adapted for LAUSD use. The Principal and School Safety Planning Committee should use discretion in making further modifications to address specific needs of the school. **The first name in the box represents the primary responsible person whereas the second name denotes the backup.***
