

Mountain Oaks School Admissions Lottery Form

Office Use Only
Lottery # _____

Admission to Mountain Oaks School is open to any resident in Calaveras, Amador, Tuolumne, Stanislaus, Alpine or San Joaquin County. In the event that a public random drawing is held to determine admission, preference will be given to siblings of existing students, children of employees, and returning students. Mountain Oaks will not charge students tuition and will not discriminate against any student on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code. Charter schools are public schools that are an enrollment option for all students, including students with disabilities.

HOW DO I APPLY FOR THE MOUNTAIN OAKS LOTTERY?

Mountain Oaks may receive far more applications for admission than it has space available each year. By charter law, admission is determined by a random public drawing – the “lottery”.

- Fill out the information form below and submit to the Mountain Oaks office along with proof of residence (e.g utility bill or anything else with your name and physical address printed on it).
- An individual lottery form must be filled out **for each student** who is applying.
- Please visit our website at mountainoaks.org for the current lottery dates.
- You need not be present at the lottery as all applicants will be notified of the results within two weeks after each lottery is held.
