Dream Big, Reach For the Stars

Receipts were emailed out to certain attendees of the auction earlier today. These are updated receipts. There was a glitch in how certain ones were processing earlier this week.

Thank you to everyone who helped make this year's auction so successful! From attending to volunteering to procuring, this truly was a whole school effort and we appreciated each and every person's contribution.

If you didn't attend, check out our auction videos starring some St. Anthony School students and teachers.

Like to Contribute to this Year's Fund a Need?

As shown in the video above, this year's Fund-a-Need is about making some of the classroom dreams of our specialists come true. There are a lot of little things we can do and purchase that will make a big impact for our specialists' classes. You can donate below.

May Crowning is this Friday, May 4th

It is a free dress day, but students are asked to wear their Sunday best (no T-shirts). Students should also bring flowers that day for the May Crowning Ceremony.

8th Grade parent volunteers are still needed that morning to help with the flower preparing. If you're available at 9:00 this coming Friday and are willing to help, email Ms. Tarabochia or Mr. Ramos.

St. Anthony Alumnus Being Ordained a Priest

We have a wonderful opportunity to support Louis Cunningham, a St. Anthony School alumnus, who will be ordained as a priest at St. James Cathedral on June 9th at 10 am. To honor this special occasion and his dedication to service as a priest in the Catholic Church, ASAPP will be collecting donations on behalf of all school families to help Louis purchase vestments.

Donations should be delivered to the School Office by May 21st and checks should be made out to St. Anthony Parish (note, this is not considered a tax-deductible

gift). Be sure to also sign the card for Louis in the School Office.

Spring Session begins May 11th.

We're running a short (4 session) afterschool Chess Wizards club beginning Friday, May 11th. Chess Wizards is for students in grades K-5 and is for both beginners and advanced players. The club will be held in the Faculty Room from 3:15 to 4:15. Parents will need to pick up students from the class or they will be brought down to BASS.

The cost is \$60 for the 4 sessions. Session dates are

- May 11
- May 18th
- June 1st
- June 8th

You must pre-register and pay for the class before the first session begins. Download a Flyer below for information on payments and to sign up.
