Sports Medicine

Do you love healthcare and sports? Then Sports Medicine is the perfect pathway for you. Sports Medicine is one of the fastest growing careers in Healthcare. Do you like being the first on the scene during a game to evaluate and treat your athlete or do you prefer helping and encouraging patients recover from an injury or surgery? Sports Medicine offers both types of careers.

If you are interested in becoming part of this field you should enjoy science and anatomy, working with people, and be self-motivated with good verbal and written communication skills.
