Test registration and preparation information for the Texas Examinations of Educator Standards (TExES), Texas Examinations for Master Teachers (TExMaT), and other tests referenced above may be found on the [TEA website](#).

Development and implementation timelines are subject to board and legislative action. This table will continue to be updated as certificates are established and new exams are developed.

- Pedagogy & Professional Responsibilities (PPR) Requirements:** Candidates receiving a first Texas certificate for a classroom teaching area must pass a PPR examination in addition to the content test(s) required. Candidates adding a supplemental certificate to an existing certificate, certifying in additional areas by examination, or certifying in non-teaching areas like Principal or School Librarian do not need another PPR exam.
- Generalist Tests Update:** The generalist tests (i.e., 111, 119, 120, 191, 192, and 193) ended 08/31/15. Candidates will have until 08/31/17 to finish certification requirements and until 10/30/17 to apply and be recommended for certification, which is a year longer than the usual deadlines after a test is discontinued.
- Certificates Scheduled for Deletion:** Generally, if a certificate is scheduled for deletion, the examination will cease to be given at the end of an academic year (August 31 or last administration); the deadline to complete requirements such as other testing, coursework, and internships/student teaching will be August 31 of the NEXT academic year, and the deadline to apply and be recommended will be 60 days later (i.e., October 30).

Test registration and preparation information for the Texas Examinations of Educator Standards (TExES), Texas Examinations for Master Teachers (TExMaT), and other tests referenced above may be found on the [TEA website](#).

Development and implementation timelines are subject to board and legislative action. This table will continue to be updated as certificates are established and new exams are developed.

- Pedagogy & Professional Responsibilities (PPR) Requirements:** Candidates receiving a first Texas certificate for a classroom teaching area must pass a PPR examination in addition to the content test(s) required. Candidates adding a supplemental certificate to an existing certificate, certifying in additional areas by examination, or certifying in non-teaching areas like Principal or School Librarian do not need another PPR exam.
- Generalist Tests Update:** The generalist tests (i.e., 111, 119, 120, 191, 192, and 193) ended 08/31/15. Candidates will have until 08/31/17 to finish certification requirements and until 10/30/17 to apply and be recommended for certification, which is a year longer than the usual deadlines after a test is discontinued.
- Certificates Scheduled for Deletion:** Generally, if a certificate is scheduled for deletion, the examination will cease to be given at the end of an academic year (August 31 or last administration); the deadline to complete requirements such as other testing, coursework, and internships/student teaching will be August 31 of the NEXT academic year, and the deadline to apply and be recommended will be 60 days later (i.e., October 30).
