

Titan Athletic Booster Minutes
December 9, 2015

- I. Birgit Castlemen called the meeting to order at 7:04 p.m. and congratulated our football team for taking CIF.
- II. Birgit asked that the minutes from the November 10, 2015 meeting be approved. Ruth Roberts motioned to approve the minutes. Norman Dorges second the motion. The minutes were approved.
- III. Patty Castrje gave a brief summary of our TAB Facility Request form. All athletic departments are to go to <https://smusd.civicpermits.com> in the "email" box type: smhstitanboosters@gmail.com (the program is case sensitive so use all lower-case letters). In the "password" box type: **GoTitans**. Click "New Permit Request" button. Complete the facility request information and click submit. The SMUSD Facilities Coordinator will review the request and respond via e-mail to the Titan Booster Email account. To check this account, go to smhstitanboosters@gmail.com Password: **GoTitans** Response time is 24-48 hours.
- IV. Dr. Bergmann spoke about the mural that is in Titan Stadium on the visitor's side. It was bid out to a gentleman who we have used in the past. However, he has retired due to his health and cannot do the mural. The new rules states that the project must be bided out. The original bid was for \$4,500 and now the new bids are coming in at around \$9,000. So for now, the project has been put on hold. Dr. Bergmann also asked that if any Booster account has money they would like to donate/contribute for the Mural to please let him know.
 - A. The question came up regarding Medical Trainers. It is not mandatory for any sport to have a medical trainer. If the boosters for that sport can work it into their budget, then a trainer is welcomed. However, it is not mandatory for athletic teams to have a trainer.
 - B. He also addressed the question asked by Softball if they could also do a sort of Booster Ball "fundraiser" and put up Balls on the softball field similar to what we have at the pool if player's names may be put up like Water Polo. He said as long as it's not a company sponsorship and just player's names, that would be fine.
- V. Dr. Bergmann put the discussion regarding banquets for our January 2016 meeting. This is something DR will cover at our new meeting

Next Booster Meeting is scheduled for Wednesday, January 13, 2016 in room #15. **Please note different room location. It is in room #15.**

Meeting adjourned at 7:52 p.m.
