- Campus Security- This discussion will be continued next year. A new campus monitor will be hired as soon as hiring is open, as the school is short one person. The campus Watchdogs program is starting up again under the leadership of Mr. McGee. There can be a Watchdog table at 6th grade orientation. Does there need to be more structure in the program so volunteers know where they are needed? Mr. McGee will be invited to the next meeting to talk about what he is doing.
