## A Quick Note...

We have been asked by our school administration to give 9-10 hours (a family) in volunteer hours this year. There are so many ways to get involved. Don't be shy! We need you. 😊

## Fall Festival

The Fall Festival was a wonderful success thanks to all the hard work and donations from our amazing parents and staff at Summit Academy. Thanks to everyone who took the time to come and hang out with friends, neighbors and schoolmates. A huge shout out to all of the volunteers who donated their time. The games, prizes and booths were a big hit.

The yummy food trucks and treats added to festive atmosphere and school spirit.
