PARENT PERMISSION FOR AN ATHLETIC TRIP BY AUTOMOBILE

I understand when Lakeview Public Schools provides one-way transportation for athletic events it is my responsibility as a parent/legal guardian to secure transportation for my child from the athletic event. I also understand that there may instances when Lakeview Public Schools will not provide transportation to or from a contest and it is my responsibility to provide transportation both to and from the event. When the schedule dictates one way or no transportation is provided by Lakeview Public Schools I understand that the dates will be provided with as much notice as possible.

It is understood that safety of students is of primary concern for Lakeview Public Schools. The coach of my child's team will confirm that all players have secured transportation home from the site prior to the coach departing. I also understand that Lakeview Public Schools will NOT be involved with coordination or assistance in developing carpools or parent contact lists to secure transportation from away contests. It may be valuable for each team to have a parent designee to help coordinate transportation.

In consideration for the participation of my son/daughter in the Lakeview Public Schools' Athletic Department, I hereby agree to indemnify and hold harmless Lakeview Public Schools, its employees and agents, Board of Education and Board members, from any and all claims that my son/daughter may make arising from or related to his/her transportation to and from athletic contests referred to above. This indemnification shall be construed broadly in favor of the District. This agreement shall remain in effect as long as the Student is enrolled in the District or until rescinded in writing by the Parent.

Student behavior to and from athletic events is regulated by and subject to the Lakeview Public Schools Athletic Code of Conduct for Student Athletes.
